Social Responsibility Report **2022-23**

ABOUT OICCI

Overseas Investors Chamber of Commerce and Industry (OICCI) is the oldest and largest chamber in Pakistan in terms of economic contributions. The members of OICCI, over 200 foreign investors, collectively pay around one-third of the revenue collected by the Government of Pakistan. Our members, working in 14 different sectors, have invested more than USD 22 Billion over the last decade. These members also contribute to the economy by bring best global business practices besides their generous CSR activities.

DISCLAIMER

The report has been prepared by the Overseas Investors Chamber of Commerce and Industry (OICCI) based on data/information provided by participating companies. The OICCI is not liable for incorrect representation, if any, relating to a company or its activities.

FOREWORD

We are delighted to present the Corporate Social Responsibility (CSR) Report for the fiscal year 2022-23, showcasing the impactful endeavours of leading foreign investors operating in Pakistan. These initiatives stand as a cornerstone in bolstering the socio-economic fabric of local communities. In the past year, the collective efforts of our members have resulted in a commendable contribution of nearly PKR 13 billion (compared to PKR 12 billion in 2020-2021), directly benefiting over 40 million individuals nationwide.

Following the recommendations of OICCI's CSR core team, the 2023 CSR report format has been revamped to align foreign investors' social contributions according to the UN Sustainable Development Goals (SDGs).

Collaborating with over 290 social sector organizations, our members' CSR initiatives span to the four provinces of Pakistan as well as to Azad Kashmir, and Gilgit-Baltistan. However, as before about two-thirds of our members CSR activities were concentrated in Sindh and Punjab province.

While our members' contributions span across all 17 SDGs, a notable portion of these efforts has been specifically directed towards Quality Education (SDG 4), Affordable and Clean Energy (SDG 7), Decent Work and Economic Growth (SDG 8), and Life on Land (SDG 15). This focused approach underscores our members' commitment to initiating positive change and sustainable development in Pakistan, guided by the principles of responsible corporate citizenship.

According to UNICEF estimates, approximately 23 million children in Pakistan are out-of-school, representing 44% of the total population in the 5-16 age group - the second-highest number globally.

Our members' have duly recognised the need to fill this gap and made a generous contribution of PKR 2.3 billion in 2023 alone towards SDG 4 in supporting the education and skill development of vulnerable children in society, in collaboration with organizations such as The Citizen Foundation, Akhuwat Foundation, STEM Pakistan, SOS Village, and public sector schools.

Furthermore, our members' exemplary actions towards SDG 7, 8, and 15, with a contribution of PKR 2.2 billion, PKR 2.6 billion and PKR 2.1 billion, respectively, covered many key activities including providing solar panels to farmers and flood-affected communities, vocational training, tree plantation, and effective waste management skills, thereby actively contributing towards a better work environment and surroundings. The attached report also highlights various initiatives towards empowerment of marginalized segments of society so as to integrate them as valuable partners in the economic development of the country.

Overseas Investors Chamber of Commerce and Industry (OICCI) members continue to make positive contributions to both businesses and society, from mitigating the impact of climate change to empowering women and supporting people with disabilities (PwDs). The Chamber's first-ever Diversity and Inclusion Conference, held in December 2023 brought together various stakeholders actively engaged in promoting PwD inclusion in the workplace and society besides fostering diversity and ensuring equal opportunities to all.

Aligned with our goal to position Pakistan as a leading FDI destination, the OICCI remains pivotal in creating awareness and assisting policymakers

with insights from global best practices. The 2nd Pakistan Climate Conference (PCC) organised by OICCI on November 1, 2023, and our representation at COP28 in the UAE on December 9, 2023, exemplify our commitment to addressing critical challenges and policy issues related to climate change.

As part of our dedication to sustainability, the Chamber organized webinars dedicated to plastic recycling and reusability, envisioning a greener future through the dissemination of knowledge and best practices.

We extend our sincere gratitude to all OICCI members actively contributing to the compilation of this report. Special recognition goes to the Managing Committee, including Chairman of OICCI ESG Subcommittee Rehan M Shaikh, Co-Chairs of the ESG Subcommittee Ahmad Zahid Zaheer and Andrew Bailey, Social Core group members, and OICCI staff Sakina Chakera, and Dr. M. Nadeem Sarwar, whose pivotal roles have been instrumental in compiling this comprehensive report.

Finally, we look forward to all the readers and key stakeholders, including those in the government and civil society, to appreciate, where due, the efforts of our members as well as guide business stakeholders beyond OICCI as well in raising the bar on CSR and ESG compliance in Pakistan. OICCI members, as before will remain steadfast in driving positive change and advancing sustainable practices across Pakistan.

Best Regards,

M. Abdul Aleem
CE/Secretary General

About SDG 1

SDG 1, No Poverty, aims to eradicate extreme poverty globally, ensuring that no one lives on less than \$1.25 a day. It seeks to halve the proportion of people in poverty across all dimensions, as defined by national standards. By implementing social protection systems and promoting equal economic rights, SDG 1 strives to uplift vulnerable populations. Additionally, it emphasizes building resilience against climate-related shocks and mobilizing resources for poverty eradication programs. Sound policy frameworks at local, regional, and international levels play a crucial role in achieving these goals.

About SDG 2

Zero Hunger, SDG 2, aims to tackle hunger comprehensively by ensuring universal access to safe, nutritious, and sufficient food throughout the year. It prioritizes eradicating all forms of malnutrition, with specific targets for reducing stunting and wasting in children under 5 by 2025. Additionally, SDG 2 emphasizes doubling the productivity and incomes of small-scale food producers, promoting sustainable food production systems, and maintaining genetic diversity in seeds and cultivated plants. Investment in rural infrastructure, agricultural research, and market transparency are key strategies to achieve these goals.

About SDG 3

SDG 3, Good Health and Well Being, aims to enhance global health and well-being through a comprehensive set of targets. These include reducing the maternal mortality ratio to less than 70 per 100,000 live births and preventing newborn and child deaths, with a focus on neonatal mortality. The goal also addresses major epidemics such as AIDS, tuberculosis, and malaria, while promoting mental health. Efforts to combat substance abuse, road traffic accidents, and hazardous chemicals are integral to achieving SDG 3. Universal access to sexual and reproductive health care, along with financial risk protection and quality health services, is prioritized. Additionally, research and development for vaccines and medicines, health workforce strengthening, and early risk management play key roles in advancing global health.

About SDG 4

Fourth SDG aims to enhance global education by ensuring equitable access to quality learning experiences. It prioritizes the completion of free primary and secondary education for all girls and boys, emphasizing effective learning outcomes. Additionally, SDG 4 focuses on early childhood development and pre-primary education to prepare children for primary schooling. Equal access to affordable technical, vocational, and tertiary education, including universities, is a key goal. The SDG also seeks to boost relevant skills among youth and adults for employment and entrepreneurship. Eliminating gender disparities in education, promoting literacy and numeracy, and fostering sustainable development knowledge are integral components. Furthermore, creating safe, inclusive, and gender-sensitive learning environments and expanding scholarships globally contribute to achieving SDG 4.

About SDG 5

SDG 5 aims to promote gender equality and empower women and girls worldwide. It encompasses a range of critical targets, including the elimination of all forms of discrimination against women and girls. This involves eradicating violence in both public and private spheres, addressing harmful practices such as child marriage and female genital mutilation, and recognizing the value of unpaid care and domestic work. SDG 5 emphasizes equal opportunities for women's leadership and participation at all decision-making levels. Additionally, it advocates for universal access to sexual and reproductive health rights, equal economic resources, and land ownership. Leveraging technology and implementing sound policies are essential steps toward achieving gender equality and empowering women across the globe.

About SDG 6

Clean Water and Sanitation, SDG 6, focuses on ensuring access to clean water and sanitation for all. The top priorities include achieving universal access to safe drinking water, eliminating open defecation, and improving water quality by reducing pollution. Additionally, SDG 6 emphasizes sustainable water-use efficiency and integrated water resources management. Efforts to protect and restore water-related ecosystems, enhance international cooperation, and involve local communities are also vital components of this goal. Ensuring clean water and sanitation is fundamental for human health, well-being, and sustainable development.

About SDG 7

SDG 7 aims to ensure universal access to clean and affordable energy. The top priorities include achieving universal access to reliable and modern energy services, emphasizing electricity and clean cooking facilities. Additionally, SDG 7 focuses on substantially increasing the share of renewable energy in the global energy mix. International cooperation for clean energy research and technology is crucial. Infrastructure upgrades and technology improvements in developing countries play a vital role in advancing this goal.

SNAPSHOT OF MEMBERS' CSR ACTIVITIES

Sustainability at FCEPL

With sustainability at its core, FCEPL is dedicated to its purpose of 'Nourishing Pakistan.' The company is committed to improving the lives of farmers, empowering rural women in the dairy value chain, producing in balance with nature, and nourishing millions of Pakistanis every day by providing safe, healthy, and accessible nutrition.

Better Nature: Ensuring Responsible Environmental Practices

FCEPL is committed to environmental stewardship, minimizing its business operations' impact and preventing unnecessary resource wastage. Key initiatives include installing solar-powered geysers, eco-friendly air conditioners, optimizing water usage through recovery efforts, installing solar panels at 64 farms and Milk Collection Centers, enhancing its logistics fleet efficiency, and reducing fuel consumption for a positive impact on the environment. In 2023, the Company also spearheaded the plantation of 16000+ trees across Sindh, Punjab, and Balochistan, including a partnership with WWF.

Better Living for Farmers

FCEPL's dairy development program has achieved remarkable results, successfully training over 41,000 farmers in animal health, nutrition, and farm management. The company has empowered over 1,000 female farmers, launched 5 female-led milk collection centers, employed 48 female livestock extension workers, addressed fodder scarcity,

supported progressive farmers, and provided significant financial support, including interest-free milk advances and subsidies.

Better Nutrition

In collaboration with the Punjab Food Authority and the School Education Department, FCEPL initiated the Health Champion Program in Lahore, impacting 40 schools and 8,000 students. The initiative focuses on fostering healthier lifestyle choices in young minds, emphasizing nutritious diets, safe food handling, hygiene, and safe milk consumption. The Company's ongoing support for the Raast School in Karachi ensures the provision of nutritious milk to over 360 underprivileged children from Qayyumabad.

Employee Health & Well-being

FCEPL fosters a culture of wellness and resilience, prioritizing both the physical and emotional well-being of its employees. The Company organizes various activities, including resilience-focused webinars, safety and awareness sessions, and celebrations of significant occasions such as Sustainability Week, Women's Day, Independence Day, Eid, World Milk Day, and Mother's and Father's Days.

Community Investment

Dedicated to nurturing the communities around its production facilities, FCEPL actively supports 7 schools, providing education to over 2,100 children across Punjab, Sindh, and Nara. The healthcare

center near the Sukkur plant extends its services to thousands of patients annually. Furthermore, FCEPL employees regularly engage in outreach sessions at these schools, focusing on environmental awareness, nutrition, cleanliness, and health, enriching the lives of those in the surrounding communities.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGs):

FCEPL's comprehensive CSR initiatives align with key SDGs including

Zero Hunger (SDG 2), Good Health and Well-being (SDG 3), Quality Education (SDG 4), Gender Equality (SDG 5), Clean Water and Sanitation (SDG 6), Decent Work and Economic Growth (SDG 8), Responsible Consumption and Production (SDG 12), Climate Action (SDG 13), Life below Water (SDG 14) and Partnerships for the Goals (SDG 17).

The company's commitment to these goals reflects its dedication to holistic and sustainable development in Pakistan.

P&G PAKISTAN

P&G Pakistan's CSR Philosophy

At P&G Pakistan, we are committed to being a Force for Growth and a Force for Good in the communities we serve. Our Citizenship focus areas—Community Impact, Equality & Inclusion, and Environmental Sustainability—are central to our mission, underpinned by our commitment to Ethics and Corporate Responsibility.

Efforts to Secure Environment

P&G Pakistan accelerated its commitment to environmental sustainability by donating 1,000 mangrove saplings to WWF - Pakistan, as part of our regional #ForestsForGood program. This initiative aims to inspire environmental consciousness and actively protect nature by planting trees, aligning with our global Ambition 2030 goals.

Efforts to Maintain Good Health and Well-being

We prioritize employee well-being through comprehensive policies and initiatives. This includes competitive health benefits, access to counseling via Employee Assistance Programs (EAP), and parental leave policies. We've also established a task force of certified 'Mental Health First Aiders' across Asia, the Middle East, and Africa, to provide support for mental health issues.

Empowering Women and Girls

P&G proudly supports Menstrual Hygiene Day in collaboration with Wash United. Always, our leading menstrual care brand, is dedicated to empowering women and combating period stigma. In response to #PeriodPoverty in Pakistan, we've partnered with Mahwari Justice to distribute 100,000 Always pads in flood-hit areas, addressing the immediate need for menstrual supplies and promoting menstrual hygiene education.

Our commitment to sustainable growth and social impact drives us to make a meaningful difference in the lives of individuals and communities across Pakistan.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Quality Education (SDG 4), Gender Equality (SDG 5), Clean Water and Sanitation (SDG 6).

Unilever

UNILEVER PAKISTAN

Company's CSR Philosophy

At Unilever Pakistan, we are committed to making sustainable living commonplace. We believe that our business grows when people and planet thrive and grow. Our ambition is to drive our commitments for sustainability through our brands and our operations, leveraging our value chain, and driving thought leadership to bring a systemic change.

Efforts to Secure Environment

Aligned with the Unilever Compass and Climate Transition Action Plan, our goal is to reach zero emissions in our operations by 2030 and net zero emissions throughout our value chain by 2039. In Pakistan, our manufacturing sites now power almost 80% of their operations with renewable energy, reducing our carbon footprint by 83% since 2018. Having achieved 50% plastic neutrality in 2022, we aim for 100% by 2025. We're also fostering a circular economy with the launch of shampoo bottles containing 25% post-consumer recycled (PCR) plastic. Additionally, our social enterprise challenge 2nd Life encourages innovation by facilitating knowledge exchange and networking amongst startups, students, and corporates to develop new circular solutions.

Efforts to maintain Good Health and Well-being

Lifebuoy, in collaboration with WaterAid and The Citizens Foundation (TCF), initiated an extensive WASH program to improve hand hygiene facilities and to create awareness in underserved communities across the country. Additionally, joining hands with Sehat Kahani following the 2022 floods, Lifebuoy reached over 500,000 children in 15 districts, offering treatments, and promoting hand hygiene to combat disease.

In line with our mission for better livelihoods, Unilever Pakistan pledged in 2021 to ensure a Living Wage for all in its extended value chain by 2025, the organisation is already at 58% compliance of this goal by 2023.

CSR Activities

Following the 2022 floods, we rehabilitated 2 villages in Thatta and D.G. Khan by creating 150 sustainable homes and enhancing infrastructure, WASH services, provision of clean energy, and education. Through Glow & Lovely's Digital Training Program partnership with CIRCLE Women Association, we empowered nearly 200 young women in Rahim Yar Khan with digital skills. In Sales, Project Khudmukhtar provided women in our sales team with motorcycle training to foster independence.

LINK TO (SDGs)

The Company's commitment aligns with multiple SDGs including SDG 3 (Good Health and Well-being), SDG 5 (Gender Equality) SDG 6 (Clean Water and Sanitation), SDG 8 (Decent Work and Economic Growth), SDG 10 (Reduced Inequality) and SDG 13 (Climate Action). Furthermore, their post-flood rehabilitation efforts also contribute to SDG 1 (No Poverty), SDG 4 (Quality Education), and SDG 11 (Sustainable Cities and Communities).

Company's Sustainability Philosophy

Indus Motor Company Limited

Creating Happiness for All - Our corporate sustainability philosophy is derived from the Toyota Global Vision. The Toyota Global Commitment to producing happiness for all while creating mobility for all and our values and innovation strategy steer our sustainability approach. 'Concern Beyond Cars' manifests our commitment towards sustainability, focusing to drive sustainability in the automobile sector and contribute towards the socio-economic development of our communities and underprivileged section of the society, as well as managing impacts on the people, environment and ecology.

Being an automobile company offering mobility solutions we have impacts on the economy, environment and society through our activities business relationships, operation and product use. Our sustainability strategy focuses on better management of impacts through our operations, supply chain and product use while providing day to day mobility solutions to society.

Efforts to Secure Environment

Corolla Cross Hybrid Electric

\$100 M investment Helping to steer Pakistan towards carbon neutrality and embracing sustainable transportation, the country's first "Make in Pakistan", Hybrid Electric Vehicle (HEV), the Corolla Cross, boasting the highest-ever localized content, was launched in December 2023. With a US\$100 million investment, the vehicle promises to change the dynamics of the auto industry while at the same time helping to reduce vehicle carbon emissions by 35%.

Expansion of Roof-top Mounted Solar PV Plant

In our efforts to help reduce the burden on our environment, we at IMC continue to deploy innovative technology through adoption of renewable energy sources. Continued reduction of emissions is our top priority. We have added 2.2MW to our existing current solar capacity of 4.5MW, to the largest roof-top mounted solar PV plant in the automobile industry in Pakistan. Targeting to secure RE ratio of over 30%, any future buildings will be designed with solar power capacity.

7.7MW
solar capacity

Efforts to Maintain Good Health & Well-being

Our commitment to the communities we are part of are endless. Several initiatives that benefit the marginalized communities include Medical & Psychiatric Clinics, Eye Camps and Food Distribution Camps, and the flagship Toyota Goth Education Program. Over 155,000 people have benefited from these initiatives with the help of our partners Saylani Welfare Trust, Safaidposh Dastarkhwan, Karwan e Hayat, ChildLife Foundation and TCF, to name a few.

155,000+
persons impacted

National Disaster Relief

In the aftermath of the devastating floods of 2022, IMC undertook Operation Flood Relief, in interior Sindh. The Company's employees under its employee volunteer program, distributed relief goods to around 3,000 flood victim families.

3,000
families supported

Toyota Road Safety Program

Road safety is taking a serious turn in Pakistan and addressing it is not any one person's job. It is a shared responsibility.

In a dynamic collaboration between NED University and IMC, groundbreaking research is underway to dissect the ten most congested and accident-prone thoroughfares in Karachi. This comprehensive study serves as a beacon, illuminating areas of concern that warrant urgent attention from local authorities.

The Road Safety Leader Campaign emerges as a pioneering initiative, spanning the entirety of Pakistan. This digital undertaking beckons individuals to take the pledge of adhering unwaveringly to safety protocols and traffic mandates. It's more than just a pledge; it is an understanding propelled by a road safety quiz, effectively fostering a culture of conscientiousness.

Link to Sustainable Development Goals (SDGs)

Affordable and Clean Energy (SDG 7), Climate Action (SDG 13), Good Health and Well-being (SDG 3) and Sustainable Cities and Communities (SDG 11).

NESTLÉ PAKISTAN LIMITED

CSR Philosophy

Nestlé embraces the philosophy of **Creating Shared Value (CSV)**, recognizing its responsibility to create value for both shareholders and society. Aligned with its purpose of unlocking the power of food to enhance quality of life, Nestlé is committed to being a force for good throughout its value chain, delivering sustainability and socioeconomic development for communities.

Clean Gilgit-Baltistan Project (CGBP):

To address increasing plastic waste in Gilgit-Baltistan due to tourism, Nestlé launched the CGBP. The initiative promotes plastic waste management by donating compressing and bailing machines to GBWMC, managing over 2600 tons of plastic packaging waste in 2023. Additionally, 48 benches and waste bins made from recycled plastic waste were installed at popular tourist locations.

Nestlé for Healthier Kids (N4HK):

N4HK empowers parents, caregivers, and educators to instill healthier eating, drinking, and lifestyle habits in school-age children. In Pakistan, the program has educated over 360,000 children and trained 2300 teachers on nutrition, promoting balanced nutrition and active lifestyles.

Nestlé BISP Rural Women Sales Program:

Since 2017, Nestlé's program has provided livelihood opportunities to nearly 3,000 BISP beneficiaries by enrolling them as sales agents, fostering financial empowerment. The partnership with AKHUWAT PAKISTAN further improves access to finance through microloans for women entrepreneurs.

Nestlé's Commitment to Renewable Energy in Pakistan:

Nestlé invests PKR 2 billion in renewable power and sustainability initiatives, including solar power plants and biomass boilers. The investments aim to reduce greenhouse gas emissions, aligning with Nestlé's Net Zero commitments for 2050 and Pakistan's UN climate change pledge.

LINK TO SDGs

Nestlé's CSR initiatives are aligned with various Sustainable Development Goals (SDGs), including Goal 7 (Affordable and Clean Energy), Goal 9 (Industry, Innovation, and Infrastructure), Goal 12 (Responsible Consumption and Production), and Goal 13 (Climate Action).

PAKISTAN TOBACCO COMPANY LIMITED

CSR Philosophy

Pakistan Tobacco Company Limited (PTC) is dedicated to sustainability, driven by its vision of A Better Tomorrow™. With a focus on environmental management and positive social impact, PTC is committed to giving back to the communities it serves.

Efforts to Secure Environment:

PTC's afforestation program, one of Pakistan's largest, has planted over 150 million saplings, including 2.3 million in 2023. Partnering with government departments, PTC contributed to the development of conservation forests spanning 24 hectares in Khyber Pakhtunkhwa.

Efforts to Maintain Good Health and Well-being:

Operating 13 Mobile Doctor Units nationwide, PTC offers free consultations and medication to over 118,000 patients annually. Additionally, 26 water filtration plants across 9 districts provide safe drinking water to underprivileged communities, combating waterborne diseases.

Promoting Education:

PTC is committed to eliminating child labor in its tobacco supply chain. Summer camps enrolled over 1900 farmer's children, promoting education

and discouraging underage involvement in tobacco production. Development programs for ages 13-18 focus on enhancing technological skills.

Community Development:

In collaboration with the National Rural Support Program (NRSP), PTC trained over 12,000 farmer families in 2023. Programs cover vital aspects such as child education, farm economics, safety, and kitchen gardening, fostering community development.

Environment, Social Governance:

In 2023, PTC released its inaugural report detailing its environmental, social, and governance initiatives. This transparent disclosure reflects PTC's ongoing commitment to creating A Better Tomorrow™ for society.

LINK TO SDGS:

PTC's CSR endeavors are aligned with several Sustainable Development Goals (SDGs), including Goal 3 (Good Health and Well-being), Goal 4 (Quality Education), Goal 6 (Clean Water and Sanitation), Goal 8 (Decent Work and Economic Growth), and Goal 15 (Life on Land).

CSR Philosophy

At Lucky Core Industries Limited (LCI), our sustainability agenda mirrors our mission of "Improving Lives." We dedicate our resources to CSR priorities, including Health, Education, Women Empowerment, Community Development, and the Environment, seeking to uplift communities and create shared value.

Efforts to Secure the Environment

Focusing on decarbonization by utilizing science and nature-based solutions, our Catalyst Climate Action Plan 2030 resulted in neutralizing 22,000 tonnes of emissions, recycling 198+ million PET bottles and planting 34,000+ trees during the year.

Promoting Circularity of Resources

Terylene Clean, our 100% traceable and recycled polyester brand, partnered with Aabroo Educational Welfare Organization for a PET bottle deposit scheme, collecting and recycling 48,000 kgs of waste to fund the education for 155 Aabroo students.

Efforts to Maintain Good Health and Well-being

Aligned with UNSDG 3 (Good Health and Well-being), LCI is dedicated to improving healthcare access in underserved communities. Initiatives undertaken this year included supporting Kiran Foundation's Mental Health and

Wellness Program, funding OPD mother and child clinics, organizing community health camps in collaboration with LRBT, Tabba Heart Institute, and Tabba Kidney Institute. Our support for Child Life Foundation enhanced pediatric healthcare and benefited over 20,400 marginalized children.

CSR Activities (Extraordinary Initiative)

LCI's Pehchan Employee Volunteer Program engaged 395 volunteers during this year, who dedicated 944 hours to activities like mentoring students, organizing health camps, tree-plantation drives, and supporting marginalized farmers. This initiative mobilizes our people for a more significant societal impact.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGs)

Our CSR priority areas align with key Sustainable Development Goals (SDGs), focusing on health (SDG 3), education (SDG 4), economic growth (SDG 8), responsible consumption (SDG 12), and combating climate change (SDG 13).

Company's Sustainability Philosophy

TOTAL PARCO's ambition to Sustainab'ALL helps develop our ESG framework based on 4 axes- Climate & Sustainable energy, People's well-being, Care for the environment and creating shared value. Our 10 Sustainable goals are a strong vector of appropriation & awareness within our businesses allowing us to continue to supply the energy the world needs today and provide pragmatic solutions for tomorrow while moving to net zero by 2050, together with society.

Efforts to secure Environment

On our transformational journey climate ambition and Care for the environment is our deeply held conviction. Our Multi Energy Offers along with active Climate soldiers and energy squads regularly monitoring emissions, air quality, EMP (Environment management plan), 100% used oil recycling, Solarization, biodegradable lube packaging, no Plastic Bags across our Welcome convenient stores, promoting digitalization, less invoices more QR payments helping in lowering the lifecycle of carbon intensity. **Decarbonized circular, resilient Bio-diversity Park, plantations, Urban forestry** at Punjab Police Academy, Motorways, NHMP offices and inauguration of our **3 Miyawaki's** setup at school /universities further showcase our investment in natural carbon sinks paving the way for our 2050 carbon Neutrality. 2023 concluded with 55,000 plants providing habitat for wildlife giving a net off reduction (Scope 1+2) of 48% against 2022.

On the social fronts People wellbeing we drive positive change through Inclusive and stimulating work environment for not only our employees whose skills and commitment are the primary factors driving

our long-term performance but work for continuous progression with clear goals and governance on human rights with support of sustainable partners.

Sustainable Initiatives for CSR

Employee volunteer for 3 days in **ACTION!** to strengthen the health network in Pakistan i.e. Children Mela with cancer patients at SKMCH&RC, Training **INDUS YAQeen Champions of Change** to create a cycle of charity for IHNN, Free Hepatitis /Medical camps by AKUH & IHNN at our service stations etc.

More initiatives for 2023:

- Culture in all its Diversity & strengthening the social fabric**-Sponsored Degree show to encourage female artists at KCW, inclusion of 500+ differently abled and female staff at our service stations, Mentoring /Coaching 120+ Female Entrepreneurs of WRCI and opening door to become our business partners.
- Collaborations for making road users Safe on roads with **International Road Safety (IRF), Coalition Partners**, Local partners, authorities & ambassadors. Launched **Safer Driver Campaign 2023, videos on "Life of a Driver"**, trained the NHMP officials while initiating CE Category License in Pakistan.

- Sponsoring Rescue 1122 for celebrating World Day of Remembrance and UN's **International Volunteer Community Emergency Response Teams -CERT's CHALLENGE 2023** to uphold Safety.
- Strengthening relationship SOS Village** through mentoring sessions and installation of a new sound system for a smooth learning experience for young minds.
- Project DAFFODIL's rehabilitation phase** -heartfelt sustainable flood disaster relief campaign in collaboration with IHNN a **Mobile Health Unit** launched for interior Sindh specially **equipped** for women health facilities, with RIZQ rehabilitated **50 Acres of Land** for farmers in south Punjab and supported their families with Food supplies & clean.
- Ray of hope** in collaboration with Million Smiles reached youth in schools with **our Solar lights to enlighten their spirits for a Brighter Future!**

Link to Sustainable Development Goals (SDGs)

Our initiatives align with several SDGs, including **Good Health and Well-being (SDG3), Quality Education (SDG 4), Gender Equality (SDG 5), Affordable and Clean Energy (SDG 7), Decent Work and Economic Growth (SDG 8), Industry, Innovation and Infrastructure (SDG 9), Sustainable Cities and Communities (SDG 11), Climate Action (SDG 13), Life on Land (SDG 15), and Partnerships for the Goals (SDG 17).**

Winning hearts, everyday!

Attock Refinery Limited (ARL) is driven by a profound commitment to community respect, environmental preservation, and national interests. Aligned with the UN Sustainable Development Goals (SDGs), ARL's CSR philosophy encompasses endeavors to secure the environment, maintain good health and well-being, and contribute to various community-focused initiatives.

Efforts to Secure the Environment

ARL ensures 100% compliance with Punjab Environmental Quality Standards, investing in modernization for eco-friendly fuels. The refinery produces Euro-III and Euro-V compliant fuels, emphasizing sustainable practices. A state-of-the-art wastewater treatment unit and ISO-50001 certification demonstrate ARL's commitment to environmental responsibility. Solar panel installations, LED conversions, and organic farming showcase efforts in energy efficiency and conservation. Biodiversity parks and annual sapling plantations contribute to environmental conservation.

Efforts to Maintain Good Health and Well-being

Through subsidiary Attock Hospital, ARL provides health services and awareness, organizing medical camps and blood donation drives. Health awareness sessions benefit both employees and the local community. Attock Institute of Horticulture imparts horticulture skills, promoting organic kitchen gardening for livelihoods. ARL supplies free drinking water to the local community, promoting good health.

Other CSR Activities

Attock Sahara Foundation (ASF), sponsored by ARL, empowers women, provides vocational training, supports poor patients, aids flood victims, and offers marriage support funds. ASF's Annual Meena Bazaar fosters community engagement. ARL provides on-the-job education, industrial training, and summer internships to students, contributing to education and professional development.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGS):

SDG 1 (No Poverty), SDG 2 (Zero Hunger), SDG 3 (Good Health and Well-being), SDG 4 (Quality Education), SDG 5 (Gender Equality), SDG 6 (Clean Water and Sanitation), SDG 7 (Affordable and Clean Energy), SDG 8 (Decent Work and Economic Growth), SDG 12 (Responsible Consumption and Production), SDG 13 (Climate Action), SDG 14 (Life Below Water), SDG 15 (Life on Land).

ARL's multifaceted CSR initiatives underscore its commitment to environmental stewardship, community health, and overall sustainable development, aligning with key SDGs.

Bank Alfalah's Strategic Response

Bank Alfalah emerged as the largest corporate donor in 2022 and 2023, pledging USD 10 million for immediate relief and sustainable redevelopment of flood-impacted communities. The Chairman, His Highness Sheikh Nahayan Mubarak Al Nahayan, and the Board of Directors approved this substantial contribution to support extensive relief and rebuilding efforts.

Two-Pronged Approach

The Bank adopted a two-phase approach, emphasizing relief and rebuild strategies for sustainable, equitable, and financially inclusive community redevelopment. In collaboration with 24 esteemed partners, Bank Alfalah disbursed approximately PKR 1.24 billion, addressing critical sectors like healthcare, emergency care, housing, education, and livelihoods.

Phase-wise Implementation

In 2022, Phase 1 focused on immediate relief, partnering with NGOs to disburse PKR 338 million. This facilitated the rescue and assistance of flood-impacted individuals. In 2023, Phase 2

prioritised rehabilitation and rebuilding with a disbursement of PKR 902 million, targeting sustainable housing, healthcare, education, and livelihood support.

Key Focus Areas and Partnerships

The disbursement encompassed healthcare provision (PKR 468 million), sustainable housing (PKR 375 million), subsidised loans (PKR 250 million), and education loans (PKR 49 million). Renowned partners such as Aga Khan Foundation, Patients Aid Foundation, Child Life Foundation, Hands, Karachi Relief Trust, The Citizen's Foundation, and Akhuwat played pivotal roles in this collaborative endeavour.

Continuous Commitment

An additional PKR 314 million is in the process of being disbursed through trusted partners, reinforcing Bank Alfalah's commitment to vital initiatives. The Bank's approach reflects its dedication to empowering communities, fostering sustainable development, and championing the cause of those affected by natural disasters.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGS):

SDG 1 (No Poverty), SDG 2 (Zero Hunger), SDG 3 (Good Health and Well-being), SDG 4 (Quality Education), SDG 8 (Decent Work and Economic Growth), SDG 10 (Reduced Inequality), SDG 11 (Sustainable Cities and Communities), SDG 17 (Partnerships for the Goals).

Bank Alfalah's extensive CSR initiatives align with key SDGs, contributing to poverty alleviation, healthcare, education, economic growth, and fostering partnerships for sustainable community development.

CHEVRON PAKISTAN LUBRICANTS (PRIVATE) LIMITED

Overview of the Disaster

In the summer of 2022, Pakistan faced a catastrophic disaster fueled by torrential rains, resulting in widespread riverine, urban, and flash flooding. This natural calamity left an indelible impact on 33 million lives, compelling nearly 8 million people to abandon their homes to escape the rising waters.

Chevron's Crucial Role

Amid the crisis, Chevron Pakistan played a crucial role, actively engaging in relief efforts for the affected communities in Sindh and Baluchistan. The company's commitment translated into the construction of 175 robust houses, providing secure and stable shelters for the displaced villagers.

Transformation of Lives

The Chevron Flood Relief Program has been transformative, touching the lives of over 1000 individuals, including 48 pregnant and lactating women and 16 disabled individuals. These beneficiaries now experience the security of residing in newly constructed homes equipped with essential amenities, ensuring their well-being around the clock.

Lower Energy Solutions: Solar Panels

Chevron Pakistan installed solar panels on the shelters in Baluchistan, with the aim of improving

the quality of life for the residents. This initiative not only provides a reliable source of energy but also aligns with Chevron's commitment of striving for lower energy solutions.

Collaboration for Impact

Chevron Pakistan joined forces with the I-Care Foundation, extending their impact by installing solar panels for shelters in Sindh. This collaborative effort demonstrates the power of partnerships in addressing complex challenges and creating a positive ripple effect within communities.

Behbud Spring Festival

Beyond the Flood Relief Program, Chevron Pakistan showcased an extraordinary commitment to community welfare through the sponsorship of the Behbud Spring Fiesta in Karachi. Organized by Behbud Association Karachi, the festival served as a fundraiser for projects focusing on poverty alleviation, education, and health for vulnerable communities, particularly marginalized women.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGs):

SDG 1 (No Poverty), SDG 3 (Good Health and Well-being), SDG 7 (Affordable and Clean Energy), SDG 11 (Sustainable Cities and Communities), SDG 17 (Partnerships for the Goals).

Chevron's flood relief and CSR initiatives align with key SDGs, contributing to poverty alleviation, health and well-being, clean energy, sustainable communities, and fostering partnerships for sustainable development. The company's multifaceted approach reflects a commitment to rebuilding lives and creating lasting positive change.

BASF PAKISTAN

BASF's CSR Philosophy

We regard societal engagement as an investment into the shared value for societies, the environment and business alike. Our activities are bundled in three main topics for a sustainable future: health, skills, and resources. We base our societal commitment globally at all levels of the BASF Group on these focal points and invest financial contributions, expertise, time as well as the joint development of alternative local business models. As part of our sustainability commitment, BASF's societal engagement contributes to the solution of relevant societal challenges for communities surrounding our sites and vulnerable communities worldwide.

Efforts to Maintain Good Health and Well-being

Our activities are bundled in three main topics for a sustainable future: health, skills, and resources. We base our societal commitment globally at all levels of the BASF Group on these focal points and invest financial contributions, expertise, time as well as the joint development of alternative local business models. As part of our sustainability commitment, BASF's societal engagement contributes to the solution of relevant societal challenges for communities surrounding our sites and vulnerable communities worldwide.

the communities. To prevent diseases and respond to outbreaks, mosquito control measures were needed immediately.

Within a short time, BASF Pakistan team together with regional and global teams donated over 3,000 liters of Fendona® insecticide and around 23,000 Interceptor® mosquito nets to the National Disaster Management Authority (NDMA).

Coordinated by the NDMA, the Interceptor mosquito nets and the Fendona sprays were distributed to multiple large cities in Sindh, the province that suffered some of the worst damage according to UN.

Beyond donations, part of our Stewardship commitment is that we ensure the proper and safe usage of our products. We ensured that the distributing authorities also had the complete education material for the safe use of the products.

ASIA PETROLEUM LIMITED

Asia Petroleum Limited (APL) adheres to a triple bottom line philosophy—People, Profit, and Planet—aligning with Sustainable Development Goals (SDGs). This commitment is woven into the company’s core values, directing altruistic initiatives towards SDG alignment.

Efforts to Secure Environment

APL actively promotes sustainable energy, boasting a combined 354.6 kW solar energy capacity, resulting in significant savings and contributing to a cleaner energy future. The terminal’s waste-water treatment plant ensures proper treatment of pollutants before discharge, addressing water sanitation and management. Regular maintenance showcases commitment to resilient infrastructure and sustainable industrialization.

Efforts to Maintain Good Health and Well-being

Through HOPE, APL treated 43,000 indigent patients via two Mobile Health Units. 10,414 flood victims received medical attention and health awareness sessions; others received blankets for winter cold protection. As repair of contractors’ employees’ houses destroyed by floods was financed, MOU was signed with HANDS for building a village of resilient shelters with amenities.

Other CSR Activities

Flood relief efforts underline APL’s commitment to various SDGs. Essential flood relief items reached 2,000 families in Bela, Baluchistan, and seven districts in Sindh. Another 30,000 flood victims received warm meals in six areas of Sindh. APL-sponsored TCF School Al Muhaimin Campus ensures inclusive, quality education. Support for Government Monotechnic Institute is aimed at addressing poverty, promoting education, and reducing inequality. APL implemented measures to support employees in coping with inflation, emphasizing their welfare and engagement through various programs, awards, and initiatives.

APL CSR LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGs)

SDG 1 (No Poverty), SDG 3 (Good Health and Well-being), SDG 4 (Quality Education), SDG 5 (Gender Equality), SDG 6 (Clean Water and Sanitation), SDG 7 (Affordable and Clean Energy), and SDG 8 (Decent Work and Economic Growth).

APL’s holistic CSR initiatives contribute to clean energy, water management, health and well-being, education, poverty reduction, and economic growth, aligning with the broader SDGs. APL’s commitment reflects a comprehensive approach towards achieving multiple SDGs, fostering sustainability and societal well-being.

JUBILEE LIFE INSURANCE

CSR Philosophy

Since the inception of the "Net Zero Project" in 2020, Jubilee Life Insurance has been committed to reducing pollution, conserving energy, and managing paper wastage. Initiatives include investing in solar energy, LED lights, and digital applications to minimize environmental impact. The company aims to achieve carbon neutrality by 2030, with the CEO spearheading efforts to calculate, reduce, and offset its carbon footprint.

Health:

Jubilee Life Insurance, contributes significantly to healthcare, education, rural and social development, and cultural heritage. The company extended micro-insurance facilities to over 5.4 million individuals to improve the quality of life in low-income sectors.

Education:

Through the "Enterprise Challenge Pakistan" in collaboration with SEED Ventures, Jubilee Life, encourages secondary school students to explore entrepreneurship. Over the past five years, the program has engaged with over 4,000 young minds from 100 schools nationwide, with a donation of PKR 5.8 million for the 2023-2024 program.

Gender Equality:

Jubilee Life Insurance, is committed to equal opportunity employment, ensuring diversity through recruitment processes and promoting inclusivity. A strategic partnership with NOWPDP facilitates talent recruitment. With women constituting 60% of the workforce, the company prioritizes gender equity, offering tailored facilities, benefits, mentorship, and development opportunities.

LINK TO SDGS:
These initiatives align with multiple Sustainable Development Goals (SDGs), including Goal 7 (Affordable and Clean Energy), Goal 9 (Industry, Innovation, and Infrastructure), Goal 10 (Reduced Inequalities), and Goal 13 (Climate Action).

ATTOCK CEMENT
PAKISTAN LTD (ACPL)

CSR Philosophy

Attock Cement Pakistan Ltd (ACPL) integrates Corporate Social Responsibility (CSR) into its business strategies, driven by a commitment to social development and sustainable growth. Our operations in Baluchistan, the heart of our commercial activities, underscore our dedication to uplifting communities and advancing societal well-being. Philanthropic initiatives in sectors such as education, healthcare, and environmental conservation reflect our enduring commitment to the regions where we operate.

Environmental Responsibility:

ACPL prioritizes environmental stewardship, ensuring the preservation of greenery around our facilities and minimizing ecological impact. Our initiatives include regular plantation drives, a state-of-the-art Waste Heat Recovery System, and a 24-megawatt solar power plant, all aimed at reducing carbon emissions and fostering a cleaner environment.

Philanthropic Corporate Responsibility:

In addition to ongoing efforts, ACPL has taken significant steps to support communities in need. Contributions include donations to flood relief funds, provision of educational resources, financial assistance for higher education, medical supplies to hospitals, and infrastructure development projects. These initiatives exemplify our commitment to social responsibility and community empowerment.

Ethical Human Rights Responsibility:

We prioritize the health and well-being of local communities, implementing measures such as free eye camps, medical equipment donations to district hospitals, provision of ration bags, infrastructural support for schools, and installation of water filtration plants. These initiatives aim to enhance healthcare access, educational infrastructure, and overall quality of life for community members.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGs)

ACPL's CSR initiatives align with several Sustainable Development Goals, including **SDG 3 (Good Health and Well-being)**, **SDG 4 (Quality Education)**, **SDG 6 (Clean Water and Sanitation)**, **SDG 7 (Affordable and Clean Energy)**, **SDG 9 (Industry, Innovation, and Infrastructure)**, and **SDG 13 (Climate Action)**.

Through these efforts, ACPL contributes to a more sustainable and inclusive future, driving positive change in the communities we serve.

COCA-COLA PAKISTAN

Coca-Cola Pakistan is committed to crafting beloved brands and beverage choices that not only refresh but contribute to a sustainable business and a shared future. Aligned with the vision of creating a positive impact on people's lives, communities, and the planet, Coca-Cola focuses on three key sustainability areas: World Without Waste, Water, and Women.

- **Countrywide Launch of Recycled PET (rPET) Bottles:** Coca Cola Beverages Pakistan introduced PET bottles made from 100% recycled plastic, a significant step towards its World Without Waste commitment. The company aims to utilize 50% recycled material in its packaging by 2030.
- **Built Pakistan's First Plastic Road:** In collaboration with TeamUp and the Capital Development Authority, Coca-Cola inaugurated Pakistan's first plastic road in Islamabad, demonstrating a model for nationwide practice.
- **Recycled PET (rPET) Bottles Return Program initiated in Gilgit-Baltistan:** An MoU with the Gilgit Baltistan Government marks the initiation of a PET Bottles Return Back system, featuring PET bottle crushing units and collection points, contributing to effective plastic waste management.
- **Ravi River Restoration Project:** The Coca-Cola Foundation and WWF-Pakistan partnered to launch the Ravi River Restoration Project, addressing water challenges through nature-based solutions and community water stewardship in Lahore.
- **Water for Women Project:** Collaborating with Indus Earth Trust, Coca-Cola initiated a water rehabilitation project in Kohistan, Thatta district, significantly impacting women in marginalized communities by providing accessible and clean water.
- **North Water Replenishment Project:** The Coca-Cola Foundation, UNDP, and MGPO partnered to construct a water supply pipeline for irrigation in Gilgit-Baltistan,

replenishing water annually since 2016 and supporting households.

- **Home Chefs Program to Empower Women:** In partnership with Circle Women, the Coca-Cola Foundation launched a home chefs program, empowering women to upskill their business acumen and increase their income.
- **Distributed Millions of Meals to Deserving Communities under Rizq Program:** A partnership with Rizq addressed food security during Ramadan, distributing meals and supporting farmer families through the GroRizq initiative.
- **Sugarcane Farmers Empowered Through Sustainable Agricultural Practices:** The "Responsible & Sustainable Sugarcane Supply-Chain in Pakistan: Naye Imkaan - Bakamal Kissan" project focuses on reducing environmental impact and improving livelihoods through sustainable farming practices for sugarcane farmers.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGs)

Coca-Cola Pakistan's initiatives contribute to multiple SDGs, including **Clean Water and Sanitation (SDG 6)**, **Responsible Consumption and Production (SDG 12)**, **Climate Action (SDG 13)**, and **Gender Equality (SDG 5)**. Through their diverse efforts, Coca-Cola Pakistan strives to foster sustainability, inclusivity, and positive social impact, aligning with the broader SDG agenda.

COATS PAKISTANS

CSR Philosophy

At Coats Pakistan, we believe in making a meaningful difference in society through our Corporate Social Responsibility (CSR) initiatives. In 2023, we focused on various activities aimed at enhancing the well-being of our community.

1. Dar-UI-Sukun Visit:

Our team visited Dar Ul Sukun in Karachi, a rehabilitation center for children with special needs. It was an enriching experience where we engaged in activities like coloring, drawing, and painting, fostering joy and camaraderie. We also distributed snack boxes, adding a delightful touch to the day.

2. Shaukat Khanum Memorial Cancer Hospital (SKMCH) Lahore:

Coats Pakistan organized a heartwarming CSR activity at SKMCH Lahore, where employees spent quality time with children battling cancer. We distributed gifts, fostering a connection with the children and offering encouragement for their dreams and ambitions.

3. Collaboration with Memon Industrial & Technical Institute:

In line with our commitment to sustainability, we partnered with Memon Industrial & Technical Institute in Karachi, donating wood products for technical training. This gesture provided students with valuable hands-on experience, enhancing their learning.

4. Distribution of Sewing Thread to Hum Mashal-e-Rah Foundation:

Our Lahore team contributed sewing thread to Hum Mashal e Rah Foundation, supporting girls' education and empowerment in rural areas.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGS):

Coats Pakistan's CSR activities align with several SDGs, including SDG 3 (Good Health and Well-being), SDG 4 (Quality Education), SDG 5 (Gender Equality), and SDG 8 (Decent Work and Economic Growth).

Through these initiatives, we demonstrate our commitment to social responsibility, sustainability, and community well-being, and we look forward to continuing these efforts in the future.

Fostering Sustainable Impact and Health Excellence

In adherence to the principles of Corporate Social Responsibility (CSR), Pharmatec Pakistan is dedicated to addressing social, economic, and environmental challenges. Our comprehensive CSR initiatives reflect a commitment to fostering positive impact, aligning business practices with societal well-being, and promoting sustainable development.

Reducing Carbon Footprint

Pharmatec is dedicated to environmental responsibility, evident through our UNAP-recognized GHG verification certificate for effective carbon footprint management. Initiatives include LED lighting, rooftop solar installations, and collaboration for extensive tree planting. Achieving ISO 14001 certification and the "Annual Environment Excellence Award" highlights our commitment to sustainable practices. The Effluent Treatment Plant, with Zero Liquid Discharge, upholds stringent standards, minimizing environmental impact. Pharmatec actively addresses SDGs, focusing on Life below Water, Life on Land, Climate Action, Affordable and Clean Energy, and Responsible Consumption and Production.

Improving Health

Pharmatec prioritizes occupational health and safety, holding ISO 45001 certification. With an annual allocation of PKR 1.2 million for employee well-being, workshops and sessions on topics like Breast Cancer awareness, Blood Donation Drives, and Workplace Ergonomics contribute to a healthy workplace. Free Medical Screening Camps, with comprehensive health assessments, benefit around 650 staff annually.

Spreading Quality Education

Pharmatec received the annual CSR award by NFEH for impactful contributions to education initiatives. The PASSS-Malik Zahur Hayat Noon

Fellowship Program, focusing on Quality Education (UN SDG #4), awards eight scholarships annually across four major cities. An investment of PKR 3.6 Million reinforces our commitment to advancing arthroscopy and sports surgery in Pakistan. The Beach Cleanup Drive at Karachi Sea View aligns with Life below Water (UN SDG #14), emphasizing the role of reducing single-use plastics in safeguarding marine life.

APPLICATION DEADLINE 07TH AUG 2023

PASSS-MALIK ZAHUR HAYAT NOON 2ND FELLOWSHIP PROGRAM COMMENCING 1ST SEP 2023

1. INTRODUCTION: Pakistan Arthroscopy & Sports Surgery Society is pleased to announce multiple-Centre hands-on fellowship program in collaboration with "Malik Zahur Hayat Noon" trust. The fellowship program will be conducted in 4 major cities Peshawar, Islamabad/Rawalpindi, Lahore and Karachi. These centres would train one fellow each thus 4 fellows would undergo training simultaneously.

2. DESCRIPTION: Arthroscopy is a very common arthroscopic procedure; however, it remains challenging from technical and psychomotor perspective. One of the main challenges is that arthroscopy requires antiseptious triangulation in three dimensions, while the surgeon is guided by a two-dimensional video display.

3. CURRICULUM: PASSS program is based on the principle that basic surgical skills are best developed sequentially. It assumes that advanced proficiency should be based on successful completion of a basic skills curriculum. Program consists of Five Units, each providing different knowledge and skills that should be obtained sequentially:

- Unit 1: Basic Principles of Arthroscopy
- Unit 2: Basic Triangulation Skills
- Unit 3: Basic Interventional Arthroscopy, Knee and Shoulder
- Unit 4: Suture Anchors, Passing Suture through Tissue, Arthroscopic Knot Tying
- Unit 5: Research, Paper writing and Presentations

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGS):

Quality Education (SDG 4): Life below Water (SDG 14): Life on Land (SDG 15): Climate Action (SDG 13): Clean Energy (SDG 7): Responsible Consumption and Production (SDG 12)

Pharmatec Pakistan remains steadfast in its commitment to creating a positive societal impact, fostering sustainable development, and aligning its business practices with the global agenda for a brighter and more inclusive future.

Pakistan Petroleum Limited
PAKISTAN PETROLEUM LIMITED

Company's CSR Vision

Pakistan Petroleum Limited (PPL)'s CSR programme dates back to the start of its commercial operations in Sui in the 1950s when the company established a school for children of workers and local communities. Since then, CSR has been the centerpiece of the company's corporate culture. Over the last six decades, PPL's CSR programme has been expanded with geographic and thematic diversity to include education, healthcare, infrastructure development, livelihood generation and sports for community transformation. The company dedicates at least 1.5 percent of its pre-tax profit for CSR interventions in operational areas and urban centres that crossed over Rs. 3 billion during 2022-23.

Environmental Conservation

PPL planted over 800 local fruit and tree saplings around Adhi Field. Moreover, 4000 olive saplings were planted near Adhi and in District Chakwal on land donated by locals. To improve underground water table, PPL supported construction of water reservoir at Harboi, District Kalat and drilling of solar-powered water bore at Government Degree College, Kalat. Moreover, 30 solar-based RO plants were installed and 3 solar-based water supply schemes were completed in Sindh.

Healthcare

Over, 300,000 patients were provided free-of-cost consultation, treatment and medicines at Sui Field Hospital and Public Welfare Hospital, Sui. Mobile medical dispensaries at Mazarani, Kandhkot and Dhok Sultan fields, Gambat South and PPL Public Dispensary Mastala, District Rawalpindi reached more than 150,000 patients. Over 21,000 patients benefitted through 11 free-of-cost surgical eye camps near producing fields. PPL also provides operating cost for Dr. Ruth Pfau's Health Center, Kandhkot. The company also supported Karachi Down's Syndrome Programme.

Education

PPL-TCF's schools in Kandhkot and Sui Model School & Girls' College provide education to 2,900 local boys and girls. The company awarded scholarships to over 300 students around operational areas to pursue primary, secondary and higher professional education with an input of over Rs. 10 million. PPL also donated Rs. 5.25 million to Tehzibul Akhlaq Trust to support education of 20 deserving students at Aligarh Public School & College in Manga, Lahore.

Livelihood Generation

PPL funded establishment and operationalization of Women Vocational Training Centre in Okara, Punjab with an input of Rs. 50 million to provide income generation opportunities for local women. Besides, 11 students of District Matiari, were supported to pursue technical diploma at The Hunar Foundation. Over 1,000 women were trained at PPL vocational training centers at Sui and Adhi. 80 students completed basic computer courses at Computer Training Centre Sui.

Free Gas and Water Supply

PPL provides free gas and water to Sui Town with over 100,000 population besides supplying potable water to Ghaibi Dero residents near Mazarani Field through water bowser.

Sports

The company supported Pakistan Blind Cricket Council for participation of visually challenged sportsmen in IBSA World Games in the UK. PPL also supported Karachi Boat Club for organizing Inter-school Regatta 2024.

LINK TO SUSTAINABLE DEVELOPMENT GOALS (SDGs)

No Poverty (SDG 1), Gender Equality (SDG 5), Affordable & Clean Energy (SDG 7), Good Health & Well-being (SDG 3), Quality Education (SDG 4), Clean Water & Sanitation (SDG 6), Decent Work and Economic Growth (SDG 8)

ENGRO'S COMMITMENT TO SHARED VALUE CREATION AND ENVIRONMENTAL STEWARDSHIP

Engro is dedicated to shared value creation, consistently investing in community development, capacity building in its value chains, and environmental projects. An upcoming focus area is biodiversity and ecosystem restoration, marked by significant projects.

Engro Foundation (EF) and WWF collaborate on a five-year partnership for the **conservation of the Indus Dolphin**, a species unique to the Indus River. This initiative utilizes modern technology, conducts dolphin

rescue operations, builds fishermen's capacity, and promotes biodiversity awareness.

In partnership with IUCN Pakistan, EF is actively involved in planting, restoring, and maintaining 500 hectares of **mangrove plantations in Karachi**. Engaging coastal communities, the program emphasizes awareness and sustainable forest management.

EF and WWF-Pakistan jointly trained over 2,900 fishermen in **sustainable practices and safe bycatch handling**. Direct benefits include asset transfers to 1,250+

fishermen, such as converting 20 vessels to longline fishing gear and providing iceboxes, safety, and tool kits.

Link to Sustainable Development Goals (SDGs)

Life Below Water (SDG 14), Life on Land (SDG 15) - Engro's initiatives contribute to SDG 14 by promoting marine life conservation and SDG 15 by supporting terrestrial ecosystems, showcasing a commitment to environmental sustainability.

SAP EMPOWERING COMMUNITIES THROUGH HOLISTIC CSR

At SAP, we recognize the urgent need to address global challenges like climate change, poverty, and inequality. Our Corporate Social Responsibility (CSR) framework, integral to our sustainability strategy, revolves around three pillars: accelerating social business, building future skills, and collaborating for sustainability.

For over a decade, SAP CSR has been a driving force in supporting social enterprises worldwide.

Through on-site and virtual pro bono consulting programs, our 100,000 employees contribute to the growth of this sector.

We prioritize innovative education models and foster multistakeholder partnerships to create pathways to employment and entrepreneurship for disadvantaged youth.

In 2021, over 20,000 SAP employees dedicated 100,000+ hours to volunteerism and learning experiences, generating

positive economic, social, and environmental impact while respecting planetary boundaries.

Link to Sustainable Development Goals (SDGs)

SAP's initiatives align with SDG 4 (Quality Education), SDG 8 (Decent Work and Economic Growth), and SDG 17 (Partnerships for the Goals), contributing to inclusive growth, education, and sustainable development.

Nurturing Education, Health, and the Environment

Barrett Hodgson Pakistan (BHP) is dedicated to providing accessible and affordable quality education and healthcare to the Pakistani nation.

BHP actively fought the COVID-19 pandemic, donating cash and relief materials to hospitals. All staff secured vaccinations for themselves and their families.

BHP won the 1st Prize for Philanthropy from 2016 to 2020. Projects like **Salim Habib University** in Karachi and the **Salim Habib Education Complex in Toba Tek Singh** reflect our dedication, with a total CSR cost of **Rs. 5.165 Billion from 2016 to 2023**. The Salim Habib Education Foundation manages educational institutions and upcoming projects.

BHP champions environmental protection through green initiatives and compliance with

regulations, reflecting our commitment to sustainable practices.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Quality Education (SDG 4), Climate Action (SDG 13) - BHP's CSR initiatives align with various SDGs, promoting health, education, and environmental sustainability, contributing to a more sustainable and equitable future.

SCHNEIDER ELECTRIC
EMPOWERING YOUTH
FOR A SUSTAINABLE
FUTURE

Schneider Electric's commitment to Corporate Social Responsibility (CSR) revolves around empowering young minds. Through our flagship program, Youth Education & Entrepreneurship, we aim to train 1 million individuals in energy management and support 10,000 entrepreneurs by 2025, addressing unemployment and fostering sustainable development, especially in developing nations.

Our partnership with Muslim

Hands in Pakistan provides quality technical training in electrical labs, benefiting thousands of youth and promoting diversity and inclusion. Initiatives like "Educate & Elevate" connect our employees with university students, sharing industry knowledge and inspiring career aspirations.

These efforts not only create a more resilient workforce but also nurture future leaders, making a lasting impact on individuals and communities. At Schneider

Electric, we believe that empowered youth are the key to building a brighter, more sustainable future.

Link to Sustainable Development Goals (SDGs)

Schneider Electric's initiatives align with SDG 4 (Quality Education), SDG 8 (Decent Work and Economic Growth), and SDG 10 (Reduced Inequalities), contributing to education, employment, and inclusive growth.

DAWLANCE CATALYSING
SUSTAINABILITY IN EVERY
HOUSEHOLD

Aligned with the visionary ethos of its parent company, Arcelik, is committed to catalyse sustainable living in every household. Dawlance's philosophy of 'Progress Today, Preserve Tomorrow,' is infused in every facet of its operations with a profound responsibility to consumers and the environment. Our sustainability initiatives have 3 legs: Plantation, Recycling, responsible consumption and youth sponsorship.

Pioneering sustainable practices define Dawlance's product development, prioritizing eco-friendly technologies that not

only curtail energy consumption but also instill environmentally conscious usage. During the Covid-19 pandemic, Dawlance donated appliances to The Indus Hospital, addressing the shortage of medically equipped units in Sindh. Arcelik sent 10 Respiratory Ventilators for distribution to major hospitals in Pakistan. Dawlance also planted 10,000 trees at Karachi University and 2,000 in Chitral, contributing to environmental conservation and supporting local communities. The 'Bondh-e-Shams Oasis Box' initiative ensures 10,000 people receive safe drinking water daily. Additionally, Dawlance

refrigerators serve as donation collection points for the Robinhood Army, combating food scarcity and fostering community welfare.

Link to Sustainable Development Goals (SDGs)

Clean Water and Sanitation (SDG 6), Affordable and Clean Energy (SDG 7), Responsible Consumption and Production (SDG 12), Climate Action (SDG 13), and Life on Land (SDG 15). Dawlance's initiatives underscore its enduring pledge to a better, sustainable future for generations to come.

STANDARD CHARTERED
BANK PAKISTAN LIMITED

Standard Chartered Bank Empowering Communities through Futuremakers Initiative Standard Chartered Bank introduced its Community Investment Strategy, Futuremakers, in 2019, aiming to foster economic inclusion. In Pakistan, the program encompasses two key areas: education and employability. "Goal" equips over 39,000 adolescent girls with skills and confidence across 130 schools in Karachi and Islamabad. For

employability, the bank provides vocational training, mentoring, and career planning, addressing the gap between job seekers' skills and employers' needs. In 2021, the bank launched the Futuremakers Inclusive Employability project, focusing on youth with disabilities, with over 480 beneficiaries, including 20% visually impaired individuals. To date, more than 100 participants have transitioned into formal employment, showcasing the program's

success in promoting economic inclusion and addressing inequality.

Link to SDGs

These initiatives align with multiple SDGs, including Quality Education (SDG 4), Decent Work and Economic Growth (SDG 8), and Reduced Inequalities (SDG 10) by empowering youth and promoting inclusive employment opportunities.

PRIME PAKISTAN EMBRACING SUSTAINABLE DEVELOPMENT AND TRANSPARENT CONDUCT

Our business is driven by a commitment to understanding and mitigating social, environmental, and ethical implications. We engage with stakeholders to enhance positive impacts, fulfilling our ethical responsibility to society based on sound principles.

In the challenging year 2022-2023, we made significant contributions to social development in Kirthar and Tajjal areas:

Provision of drinking water to 145 villages, including the installation of 35 hand pumps and setting up 02 RO Plants. Establishment of a Health Center in Badhra benefiting 1,402 individuals and two more in Kadanwari with 8,007 beneficiaries. Support for 15 community schools in Kirthar and 13 in Tajjal, with a total enrollment of 1,616 students. Initiatives like Computer and Vocational Training Centers aimed at fostering educational growth and community

development.

Link to Sustainable Development Goals (SDGs)

Clean Water and Sanitation (SDG 6), Good Health and Well-being (SDG 3), Quality Education (SDG 4), and Decent Work and Economic Growth (SDG 8). [Company Name]'s initiatives contribute to these SDGs, advancing community well-being, education, and economic development.

HABIBMETRO NURTURING COMMUNITIES THROUGH PHILANTHROPY

HABIBMETRO is dedicated to uplifting society through diverse philanthropic initiatives, recognizing its broader role beyond financial performance. Collaborating with esteemed non-profit organizations, the bank focuses on environmental sustainability, education, healthcare, community development, and diversity and inclusion.

Environmental Conservation and Community Support: The bank actively participates in plantation

and beach clean-up drives with the World Wildlife Fund. Solar panels installed in Mithi, Tharparkar, benefit 35 households, promoting renewable energy and improving lives in the locality.

Empowering the Underprivileged: HABIBMETRO partners with various organizations, including The Citizens Foundation, Hunar Foundation, and Indus Hospital, to support underprivileged communities. Collaborations extend to entities like Patients Aid Foundation, Zehra Homes, and

Women Empowerment Group (Pink Ribbon), fostering holistic development.

Link to SDGs

These initiatives contribute to multiple Sustainable Development Goals (SDGs), including Good Health and Well-being (SDG 3), Quality Education (SDG 4), and Partnerships for the Goals (SDG 17), fostering a sustainable and inclusive society.

JAZZ EMPOWERING LIVES THROUGH DIGITAL INNOVATION

In the past year, Jazz has made significant strides in improving lives, particularly focusing on youth and women empowerment through technology. With a commitment to fostering digital entrepreneurship, Jazz launches initiatives that empower women entrepreneurs, providing access to capital, mentorship, and a supportive ecosystem. Highlighting the role of technology in bridging gender

gaps, Jazz initiates training programs, equipping youth and women with digital skills for the tech industry. In health, Jazz's livelihood support program focuses on breaking barriers for women and children, providing reproductive health awareness and preventative healthcare services. Their commitment extends to environmental sustainability, planting 2500 trees to reduce 28.5 tons of carbon emissions. Jazz's dedication to entrepreneurship,

technology, health, and fellowship programs sets a precedent for positive change in Pakistan.

Link to Sustainable Development Goals (SDGs)

No Poverty (SDG1); Good Health & Well Being (SDG3); Gender Equality (SDG5); Decent Work and Economic Growth (SDG8); Reduced Inequalities (SDG10) and Climate Action (SDG13).

ARCHROMA FOSTERING SUSTAINABLE PRACTICES AND COMMUNITY ENGAGEMENT

Committed to ethical business practices, we adhere to the United Nations Global Compact and Responsible Care® principles. Corporate Social Responsibility is integral to our philosophy. Our Sustainable Effluent Treatment Plant (SET) @ Zero Discharge in Jamshoro conserves millions of liters of water daily, benefitting the community with 13,000 gallons of clean water daily. Our Landhi site's Effluent Treatment Plant recycles water for on-site utilities. We produce over 10,000 kgs of organic compost, enriching soil and reducing

environmental impact. Archroma Center of Excellence (ACE) trains chemistry and textile engineering students, with 8000 beneficiaries from our internship program. Collaborations with academic institutions develop technical skills. We promote tree plantation, cultivate fruits and vegetables on-site, and extend green initiatives to neighboring institutions. Solar panels installed at TCF School, Korangi, combat power breakdowns, while a poster competition engages TCF students in environmental awareness.

Link to Sustainable Development Goals (SDGs)

Archroma's initiatives contribute to multiple SDGs, including SDG 6 (Clean Water and Sanitation), SDG 7 (Affordable and Clean Energy), SDG 11 (Sustainable Cities and Communities), and SDG 15 (Life on Land), aligning with goals for environmental sustainability, education, and community development.

MEEZAN BANK DEDICATED TO ETHICAL PRACTICES AND SUSTAINABILITY

Meezan Bank aligns its CSR initiatives that span health, education, and social welfare while emphasizing transparency.

In the health sector, Meezan Bank actively contributes to organizations like The Indus Hospital, Patient's Aid Foundation, and Alamgir Welfare Trust. The Bank's participation in the Shaheen Sports League 2.0 and funding an MRI Diagnostic Machine at Allama Iqbal Memorial Teaching Hospital showcases its holistic support towards healthcare.

In education, Meezan Bank distributed school bags and whiteboards, positively impacting students at various institutions. The Bank also organized a seminar at IDA Rieu Welfare Association, promoting financial literacy among differently-abled students.

Demonstrating a commitment to societal well-being, Meezan Bank extends support through free iftar and dinner arrangement in 17 cities, reaching thousands daily. The Bank further encourages women inclusion by

supporting initiatives like The Crafters Expo and Daachi Foundation.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Quality Education (SDG 4), Zero Hunger (SDG 2), and Gender Equality (SDG 5). Meezan Bank's initiatives contribute to these SDGs, fostering a positive impact on health, education, hunger, and gender equality.

ROUSCH (PAKISTAN) POWER LIMITED (RPPL) ENGAGING IN TRANSFORMATIVE INITIATIVES

For sustainable community development, demonstrating a commitment to CSR as an integral part of its business. In District Khanewal, RPPL prioritizes environmental sustainability through a tree plantation drive, allocating funds and distributing 3,500 plants. This initiative contributes to a cleaner and healthier environment.

In Kirthar and Tajjal areas, RPPL addresses essential needs like water provision, healthcare, and education. The company installs hand pumps, RO Plants, and establishes health and education centers, benefiting thousands. Community schools and

vocational training centers further enhance educational opportunities.

Ongoing projects include the Company School Project, providing quality education to 300 students. In healthcare, RPPL supports the Basic Health Unit and a Special Education Center, positively impacting patients and children with special needs.

Rousch is also providing Medical Equipment to Government Rural & Basic Health Centers to deliver better medical facilities to the locals.

RPPL's commitment extends to

clean water provision, education, and healthcare, aligning with SDGs 6, 4, and others. The tree plantation drives and solar energy initiatives showcase RPPL's dedication to community welfare and environmental sustainability.

Link to Sustainable Development Goals (SDGs)

Clean Water and Sanitation (SDG 6), Affordable and Clean Energy (SDG 7), Quality Education (SDG 4), and Sustainable Cities and Communities (SDG 11). RPPL's initiatives contribute to these SDGs, fostering community development, education, and environmental sustainability.

PEPSICO PAKISTAN NURTURING COMMUNITIES, EMPOWERING YOUTH, AND FOSTERING SUSTAINABILITY

In alignment with the community-centric values of pep+ (PepsiCo Positive), PepsiCo Pakistan's 2023 CSR initiatives embraced a holistic approach. The portfolio covered safe water access, sanitation, hygiene, food security, youth empowerment, education, and ecological rehabilitation.

Dedicated efforts provided safe water, sanitation, and hygiene to over 200,000 people in key cities and District Okara, emphasizing water stewardship in Multan. The

Amal Career-Prep Fellowship witnessed 8,500 graduates, showcasing PepsiCo's commitment to youth empowerment. PepsiCo Smart Schools revitalized education in Kasur's farming communities, while "Filling Hearts! Outside the Box" distributed 1M+ meal boxes during Ramadan. Environmental initiatives included planting 21,000+ trees and collecting 44,000+ Metric Tons (MT) of plastic waste.

Link to Sustainable Development Goals (SDGs)

Clean Water & Sanitation (SDG 6), Quality Education (SDG 4), Zero Hunger (SDG 2), Life on Land (SDG 15), Climate Action (SDG 13), and Responsible Consumption and Production (SDG 12). PepsiCo Pakistan's resolute commitment echoes through safe water, empowered youth, and sustainable practices, contributing to a progressive and inclusive Pakistan.

SHELL PAKISTAN COMMITTED TO ENVIRONMENTAL SUSTAINABILITY AND ECONOMIC GROWTH

Addressing the critical issue of crop stubble burning, a major contributor to smog in South Asia, Shell collaborated with local farmers and the NRSP to convert agricultural waste into biochar. This transformative process not only mitigates air pollution by reducing emissions but also provides farmers with a sustainable solution for managing agri waste.

Recognizing the environmental impact of single-use plastic bottles used in the lubricant industry, Shell Pakistan took a pioneering step. Collaborating

with a startup, the company repurposed discarded lubricant plastic bottles to construct Karachi's first plastic-infused road. This initiative contributes to reducing plastic waste and promoting sustainable practices in infrastructure development.

Shell Tameer, Shell Pakistan's entrepreneurship development program, plays a pivotal role in fostering innovation. In the past year, it has successfully trained and upskilled 560 startups, contributing to the growth of young entrepreneurs in Pakistan.

Link to Sustainable Development Goals (SDGs)

Quality Education (SDG 4), Decent Work and Economic Growth (SDG 8), Industry, Innovation and Infrastructure (SDG 9), Responsible Consumption and Production (SDG 12), Climate Action (SDG 13), and Life on Land (SDG 15). Shell Pakistan's initiatives align with these SDGs, promoting environmental conservation, sustainable practices, and entrepreneurial development.

FAYSAL BANK NURTURING PROSPERITY IN HARMONY WITH VALUES

Faysal Bank embraces the core tenets of Islamic Banking, anchored in principles of fairness, equity, and justice inspired by the historical excellence of Islamic ethos. Drawing from the ethical framework that shaped Medina and subsequent empires, Islamic Banking integrates aspects of capitalism and socialism, prioritizing social profit over individual gain.

Committed to these values, Faysal Bank envisions a future where financial prosperity seamlessly aligns with environmental sustainability and community wellbeing. CSR is intricately woven into the fabric of the Bank's operations,

manifesting its dedication to societal welfare, promoting good health, and fostering overall wellbeing.

FBL actively supports quality education, poverty alleviation, economic empowerment, and endeavors towards sustainability, clean water, and sanitation, contributing to the realization of sustainable cities and communities. The bank prioritizes the professional development of its teams, advocating for gender equality, diversity, and inclusivity. Inherent in its mission is the promotion of Islamic arts and culture, aiming to establish benchmarks for community development,

particularly focusing on underprivileged communities.

Link to Sustainable Development Goals (SDGs)

Quality Education (SDG 4), No Poverty (SDG 1), Gender Equality (SDG 5), Clean Water and Sanitation (SDG 6), Sustainable Cities and Communities (SDG 11), Industry, Innovation, and Infrastructure (SDG 9) - Faysal Bank's CSR initiatives contribute to diverse SDGs, fostering sustainable development, equity, and social progress. The bank's holistic approach reflects its commitment to building a better future.

METRO PAKISTAN EMPOWERING COMMUNITIES THROUGH SUSTAINABLE PRACTICES

METRO Pakistan, a leader in wholesale retail, upholds its commitment to fostering sustainable business practices and social responsibility. Aligning with the United Nations Sustainable Development Goals (SDGs) and the UN Global Compact, METRO integrates economic, environmental, and social objectives into its operations.

Supported by The Citizens Foundation (TCF) for quality

education and distributed Ramadan rations to seventy Police Martyr families. Planted 500 trees at Indus Hospital & Health Network (IHHN) Campus in Lahore and collected 50,000 milliliters of blood on World Blood Donor's Day. Partnering with Shaukat Khanum Memorial Cancer Hospital (SKMCH), METRO conducted Pinktober awareness sessions in all stores. The Company also screened 800 employees for Hepatitis with Aga Khan University Hospital (AKUH),

providing free treatment for those tested positive, prioritizing employee well-being.

Link to Sustainable Development Goals (SDGs)

Zero Hunger (SDG 2); Health (SDG 3), Quality Education (SDG 4); and Environment (SDG 13). Through these initiatives, METRO Pakistan strives to create a positive impact on society while advancing sustainable development goals.

INFRAZAMIN PAKISTAN (IZP)

In 2023, Infrazamin Pakistan (IZP) continued its steadfast commitment to Corporate Social Responsibility (CSR), particularly in areas affected by recent floods. Collaborating with reputable organizations like Akhuwat, Edhi Foundation, and the Citizens Foundation, IZP directed its CSR efforts towards providing essential support such as health services, education, medical aid, and shelter to the underprivileged. These

partnerships underscored IZP's dedication to community investment and empowerment. Moving forward, IZP remains resolute in prioritizing social well-being, striving to make a positive impact across diverse aspects of life for those in need.

Link to Sustainable Development Goals (SDGs)

No Poverty (SDG 1), Good Health and Well-being (SDG 3),

Quality Education (SDG 4), and Sustainable Cities and Communities (SDG 11), contributing to a more inclusive and sustainable society.

GSK PAKISTAN ADVANCING HEALTH, SUSTAINABILITY, AND SAFETY

GSK's purpose is to unite science, technology, and talent collaboratively against diseases, with a commitment extending to social, environmental, and governance impacts. GSK Pakistan targets carbon neutrality by 2030, emphasizing natural resource protection through initiatives like solar panel installations and reduction of single-use plastics.

Within a safety circle, our operations prioritize zero

incidents. The Environment, Health, and Safety (EHS) agenda fosters continuous improvement for a safe and sustainable business environment.

Aligned with Sustainable Development Goals (SDGs) — Good Health and Well-being (SDG 3), Affordable and Clean Energy (SDG 7), Clean Water and Sanitation (SDG 6), Responsible Consumption and Production (SDG 12), Decent

Work and Economic Growth (SDG 8), Industry, Innovation, and Infrastructure (SDG 9), Climate Action (SDG 13) — GSK Pakistan's initiatives contribute to a more equitable and sustainable future.

**SIGNIFY PAKISTAN
ILLUMINATING LIVES,
FOSTERING HOPE**

Signify Pakistan, guided by the belief that light empowers communities, champions impactful initiatives through its CSR program and collaboration with the Signify Foundation, striving to enhance lives globally.

Lighting Lives: In the aftermath of the 2022 Pakistani disaster, Signify Pakistan joined forces with the Karachi Relief Trust, distributing over 70,000 bulbs. These luminous beacons not only illuminated homes but also ignited hope in countless villages. The restored light

symbolized the power to rebuild and thrive, dispelling darkness from communities.

Empowering Refugees: In collaboration with UNHCR, Signify Pakistan brings hope to off-grid refugee villages through the installation of solar streetlights. These beacons serve as pillars of safety, education, and economic opportunity, catalyzing transformative change in the lives of communities. Signify Pakistan stands as a powerful testament to the synergy of collaboration and light,

empowering even the most vulnerable.

Link to Sustainable Development Goals (SDGs)

Affordable and Clean Energy (SDG 7), Quality Education (SDG 4), Industry, Innovation, and Infrastructure (SDG 9), Sustainable Cities and Communities (SDG 11). These initiatives align with SDGs, contributing to a holistic approach to sustainable development and community well-being.

**PUMA ENERGY PAKISTAN
EMPOWERING COMMUNITIES
THROUGH BLOOD DONATION**

In collaboration with Indus Hospital, Puma Energy Pakistan orchestrated a highly successful blood donation drive, exemplifying our commitment to societal well-being and community empowerment. The drive garnered substantial participation and support, underscoring the importance of collective efforts in addressing critical healthcare needs.

Sponsoring Climate Conference and partnering with Indus Hospital marked a significant stride in

contributing to the climate issues and healthcare sector, specifically addressing the crucial demand for blood donations. This joint initiative not only cultivated a culture of altruism but also played a pivotal role in potentially saving numerous lives.

Puma Energy Pakistan takes immense pride in facilitating this impactful initiative, reinforcing our dedication to giving back and uplifting communities. Through the simple yet powerful act of blood donation, we stand firm in

our commitment to energizing communities and fostering a healthier, more resilient society.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Partnerships for the Goals (SDG 17). This initiative aligns with promoting health and well-being and fostering partnerships for collective societal impact.

**DAWOOD HERCULES
CORPORATION LTD
EMPOWERING EDUCATION
FOR ALL**

Dawood Hercules

Dawood Hercules Corporation Ltd. is dedicated to fostering inclusive education initiatives, exemplified by recent endeavors.

Engaging Special Needs Students at Magnifi Science Center: DH sponsored 60 students from Ida Rieu Schools & Colleges for the Blind and Deaf to visit the Magnifi Science Center. This immersive experience on May 23, 2023, encouraged their curiosity in

science, technology, and innovation, fostering a passion for learning in an inclusive environment.

Renovating Faqir Muhammad Rajero School: Tenaga Generasi Ltd, a Dawood Group company, revitalized the Faqir Muhammad Rajero School near Gharo, Sindh. The renovation, managed by an NGO, commenced operations on August 28, 2023. With 56 enrolled

students, including 15 girls, the school emphasizes inclusive education, ensuring equal opportunities for all. The formal inauguration occurred on October 31, 2023.

Link to SDGs

These initiatives align with Quality Education (SDG 4), fostering inclusive and equitable education opportunities for all.

**HALEON - PROMOTING
INCLUSIVE HEALTH AND
ENVIRONMENTAL STEWARDSHIP**

Our strategic priority is responsible business, realized through three core areas: inclusive everyday health, reduced environmental impact, and ethical conduct. Collaborating with like-minded organizations, we aim to make everyday health more inclusive, sustainable, and achievable.

Our manufacturing site adopts environmental protection measures, achieving Zero Waste to Landfill and 100% Treatment

of Waste Water, endorsed by the Environmental Sustainability Center of Excellence. A tripartite initiative by Haleon Pakistan Ltd., **TrashIt, and Pak BioEnergy transforms ~1800 Kgs/month of organic waste into fertilizer at the Jamshoro site**, enhancing waste circularity for environmental sustainability.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Clean Water and Sanitation (SDG 6), Affordable and Clean Energy (SDG 7), Responsible Consumption and Production (SDG 12), Climate Action (SDG 13), Life Below Water (SDG 14), Life on Land (SDG 15) - Our CSR initiatives align with various SDGs, fostering inclusive health and environmental stewardship for a more sustainable and equitable future.

L'ORÉAL PAKISTAN NURTURING ETHICAL PRACTICES FOR A SUSTAINABLE TOMORROW

In alignment with L'Oréal's dedication to community welfare, our CSR framework embraces exemplary practices, contributing to a more ethical and sustainable future.

Efforts for Environment: L'Oréal Fund for Nature Regeneration supports NetZero, Reforesterra, Mangroves for biodiversity acceleration. Collaborations with Indus Earth Trust focus on urban reforestation and plastic recycling.

Efforts for Employee Well-being:

Introducing a hybrid work model, gender-neutral policies, and Share & Care program for health, balance, and workplace.

CSR Activities: L'Oréal Fund for Women partners with CIRCLE Pakistan, promoting digital literacy, benefiting 1,600 women. Nano Influencer Academy with the aim to empower 1,500 women. Euro 250,000 allocated in 2023.

L'Oréal Professional Institute of Pakistan upskills the hairdresser community, empowering women.

CITIZEN DAY marks 14th Year Anniversary, volunteering for social and environmental charities in Karachi, Islamabad, and Lahore.

Link to Sustainable Development Goals (SDGs)

Gender Equality (SDG 5), Decent Work and Economic Growth (SDG 8), Climate Action (SDG 13). L'Oréal's initiatives contribute to Environment, Well-being, and Gender Equality aligning with various SDGs for a holistic impact.

EVERY DENNISON PAKISTAN

Avery Dennison: Committed to Community Engagement and Education

Avery Dennison Pakistan, driven by a profound commitment to social responsibility, recently executed two impactful CSR initiatives. We hosted students from SOS Village at our Karachi office, offering insightful departmental briefings and hands-on exposure to our production facility to inspire and educate them. Secondly, we collaborated with The Hunar Foundation, actively participating in the improvement

of newly developed Industrial Automation trade curriculum, contributing significantly to the curriculum content.

The Company strives to make a meaningful impact on the communities we serve. Through educational outreach programs and partnerships with organizations like SOS Village and The Hunar Foundation, we contribute by providing access to quality education and skill development opportunities. Furthermore, our efforts to enhance industrial automation curriculum content, as we aim to

foster economic growth and create employment opportunities in Pakistan's workforce, ultimately working towards a more sustainable and equitable future for all.

Link to Sustainable Development Goals (SDGs)

Quality Education (SDG 4) and Decent Work and Economic Growth (SDG 8). Avery Dennison is committed in contributing to a progressive and inclusive Pakistan.

BAYER PAKISTAN EMPOWERING COMMUNITIES FOR SUSTAINABLE DEVELOPMENT

Bayer Pakistan, a leader in healthcare and nutrition, integrates sustainability into its corporate strategy, guided by the vision "Health for all, Hunger for none." In 2022-23, Bayer partnered with NGO Tayaba Organization to scale up its H2O Water Wheel intervention in response to devastating floods and challenging climatic conditions.

Community Empowerment Initiatives: Distribution of 4,000 H2O Water Wheels to families in water-logged and drought-stricken areas, enhancing access to clean water. Provision of 2,000 reusable menstrual hygiene kits to women in flood-hit regions, promoting

women's health and hygiene. Funding the construction of 100 portable toilets to improve sanitation and hygiene in flood-affected areas, ensuring dignity and health for communities.

Support for Smallholder Farmers: Facilitation of interest-free microfinance loans for approximately 300 flood-stricken smallholder farmers through NGO Akhuwat, aiding in crop regrowth and financial recovery.

Impact and Future Prospects: Bayer's initiatives received appreciation from rural farmers and demonstrate a commitment to

sustainable community development. Future expansions of such efforts are envisioned to further empower communities and promote resilience in the face of environmental challenges.

Link to SDGs

These initiatives align with several Sustainable Development Goals (SDGs), including Zero Hunger (SDG 2), Gender Equality (SDG 5), and Clean Water and Sanitation (SDG 6) fostering sustainable development and resilience in vulnerable communities.

UNITED BANK LIMITED

UBL is dedicated to supporting and empowering disadvantaged communities through its Corporate Social Responsibility (CSR) initiatives, focusing on education, healthcare, and community welfare. In 2023, the bank collaborated with healthcare providers, offering medical equipment and infrastructure support, and provided critical care to deserving patients. Additionally, UBL extended financial aid

through scholarships to educational institutions and facilitated vocational training for employment opportunities. As part of its annual Ramzan Drive, UBL distributed Sehr and Iftar/dinner meals and ration packets across nine cities in Pakistan. These efforts underscore UBL's ongoing commitment to community development, aiming to uplift the lives of those it serves.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Quality Education (SDG 4), Decent Work and Economic Growth (SDG 8). These initiatives align with various United Nations Sustainable Development Goals (SDGs) contributing to a more inclusive and prosperous society.

LUNDBECK PAKISTAN CHAMPIONING MENTAL HEALTH AWARENESS IN PRISONS

In dedication to mental well-being, Lundbeck Pakistan supported an awareness event on World Mental Health Day 2023 at Central Prison Karachi. The event, organized by various Governmental and non-Government entities, aimed to address the prevalent mental health challenges often encountered in such settings.

Distinguished individuals, including lawmakers and renowned professionals in the mental health field, convened to explore strategies for understanding and managing mental health concerns within these environments. The emphasis

was on the well-being of both staff and inmates, highlighting the importance of stress management and promoting mental health. During the event, participants observed the talents of individuals through activities like singing and painting, showcasing positive engagements. There was a consensus on the significance of rehabilitation, treatment, and prevention of substance use disorders to facilitate the reintegration of individuals into society.

The overall gathering acknowledged the commitment of organizations like Lundbeck to

the cause of mental health, encouraging open conversations and challenging societal stigmas. Lundbeck Pakistan continues its unwavering dedication to the restoration of brain health, supporting individuals on their collective journey toward well-being.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Reduced Inequalities (SDG 10), Peace, Justice, and Strong Institutions (SDG 16).

HITACHI ENERGY PAKISTAN ADVANCING A SUSTAINABLE ENERGY FUTURE FOR THE COMMUNITIES

In Hitachi Energy Pakistan (Pvt) Ltd, we champion Women Empowerment and Gender Equality with key leadership roles in HR and Finance held by talented female colleagues. Our commitment extends to the board, with 33% female representation, including the role of Company Secretary. Globally, we emphasize diversity 360, setting targets to increase female leadership at all levels.

We collaborate with our Swedish lead center to execute the CASA-1000 HVDC project. Leveraging our pioneering bi-polar and bi-directional technology, we facilitate the transmission of 1,300MW of clean hydro power from Tajikistan to Pakistan, contributing to affordable and sustainable energy solutions. Hitachi Energy Pakistan is dedicated to advancing gender equality and providing

affordable, clean energy in support of the UN Sustainable Development Goals.

Link to Sustainable Development Goals (SDGs)

Gender Equality (SDG 5), and Affordable and Clean Energy (SDG 7) - Hitachi Energy's initiatives contribute to gender equality, and clean energy aligning with various SDGs for a holistic impact.

BATA PAKISTAN PLEDGING COMMITMENT TO SOCIAL RESPONSIBILITY

In line with its commitment to social responsibility, Bata Pakistan actively pursues a mission to enhance the well-being of its employees, customers, business partners, and the broader community. Dedicated to improving the quality of life in the areas of its operation, Bata Pakistan has undertaken various initiatives. These include the renovation of six flood-affected schools, mentoring sessions in SOS Village focusing on

self-grooming and IT skills, health awareness and medical camps, and engagement with children in hospitals. Furthermore, Bata Pakistan contributes to environmental sustainability through tree plantation drives and participates in significant events such as World Environment Day, International Women's Day, and others. The company's commitment extends to supporting education by providing school

bags, books, uniforms, and shoes to underprivileged students.

Link to Sustainable Development Goals (SDGs)

Bata Pakistan's initiatives align with key SDGs, including Quality Education (SDG 4), Good Health and Well-being (SDG 3), Gender Equality (SDG 5), Sustainable Cities and Communities (SDG 11), and Climate Action (SDG 13).

COCA COLA BEVERAGES - MAKING A POSITIVE IMPACT ON COMMUNITIES

Company's CSR Philosophy

CCI Pakistan (Coca-Cola Beverages Pakistan Limited) unveiled its sustainability pledge in 2022, ensuring the integration of social responsibility and sustainability into our corporate ethos. Our pledge encompasses commitments across six crucial areas: Packaging, Water, Climate, Human Rights, Diversity & Inclusion, and Community. We actively support and collaborate with organizations and programs to enhance our initiatives and

positively impact lives.

In 2023, in response to catastrophic floods in Pakistan, CCI Pakistan provided clean drinking water & basic health and food amenities.

Recognizing the critical importance of Climate Change, we have planted **200,000+** saplings since 2019. And installed clean energy at our production facilities. Furthermore, we reached **35 water filtration plants.**

Lastly, through our volunteers, we enabled flood-affected farmers to increase their income and yield by **17%.**

Link to Sustainable Development Goals (SDGs)

We have a direct link with **SDG 6 Clean Water and Sanitation, SDG 7, Affordable and Clean Energy, SDG 12, Responsible Consumption and Production and SDG 13, Climate Action.**

**FINCA MICROFINANCE BANK LTD.,
COMMITTED TO DIVERSITY AND
CORPORATE SOCIAL RESPONSIBILITY**

• Women Empowerment

Over 100,000 female customers served since inception

Financial Literacy sessions for nearly 10,000 women

Significant Increase in the loan size for women, from 85,0000 (2019) to 240,000 (2023)

• Poverty Alleviation

Each loan creates approximately three jobs, we have positively impacted over 3 million households.

50% of our loan clients are from rural areas.

• Education and Literacy

Experiential learning through 1,500 financial and digital literacy sessions, benefiting 40,000 attendees.

Focus on empowering individuals of all ages, with 56% of loan clients under 35 years.

Commitment to equipping customers with the skills and knowledge to make informed financial decisions.

• Making a Difference

Launched FINCA Emergency Response Fund to provide assistance to the affected clients

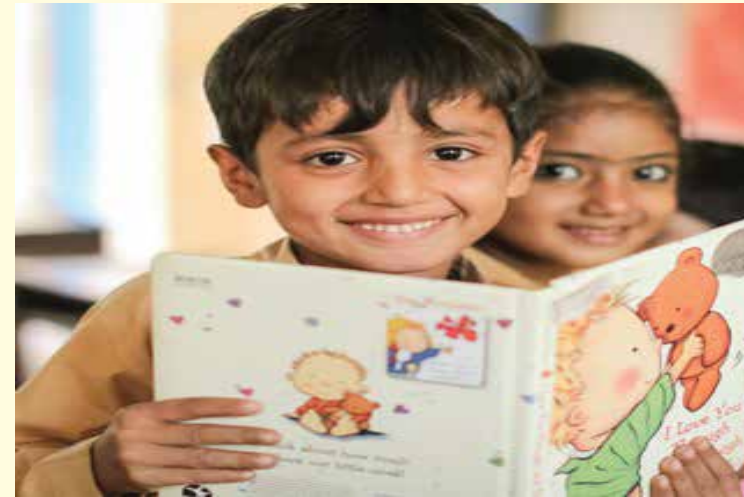

and staff in Pakistan. Approx. \$200K was disbursed.

FMBL becomes Pakistan's 1st Microfinance Bank to provide sign language services for individuals with hearing impairment, in partnership with ConnectHear

Link to Sustainable Development Goals (SDGs)

No Poverty (SDG 1), Gender Equality (SDG 5), Decent Work and Economic Growth (SDG 8), Quality Education (SDG 4), and Reduced Inequalities (SDG 10).

HUBCO FOSTERING SUSTAINABLE CHANGE

HUBCO's CSR philosophy centers around Education, Health, Community Development, and Livelihood, aiming for enduring change in communities.

Secure Environment: HUBCO prioritizes environmental responsibility, planting over 80,000 trees in Balochistan and Punjab, mitigating its operational impact.

Maintain Good Health and

Well-being: All sites offer 24/7 medical facilities, extending to employees' families and neighboring villages. Around 11,000 community patients receive free medical consultations and medicines monthly.

Education: Sponsoring 33 TCF schools in Sindh, Balochistan, and Punjab has benefited over 22,000 students. 500 students completed their Matriculation, paving the way

for professional careers.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Quality Education (SDG 4), Sustainable Cities and Communities (SDG 11). HUBCO's initiatives align with fostering education, health, and sustainable communities, contributing to the broader SDG agenda.

**LOTTE CHEMICAL PAKISTAN LIMITED
FOSTERING PROGRESS THROUGH INDUSTRY AND COMMUNITY INTEGRATION**

LOTTE Chemical Pakistan Limited, the exclusive manufacturer of Purified Terephthalic Acid (PTA) in Pakistan, boasts an annual capacity of 500,000 tons, delivered through our advanced plant in Port Qasim, Karachi.

Our commitment to societal well-being is at the forefront of our endeavors. We actively contribute to healthcare, education, and disaster relief,

empowering underprivileged individuals and paving the way for a brighter future. Emphasizing social responsibility, we strive to strengthen the ties between industry and communities. By fostering a conducive business environment, we aim for a symbiotic relationship, promoting sustainable growth and development.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Quality Education (SDG 4), Industry, Innovation, and Infrastructure (SDG 9), Sustainable Cities and Communities (SDG 11) - LOTTE Chemical's initiatives contribute to health, education, industry, and community development, aligning with various SDGs for a holistic impact.

HUTCHISON PORTS PAKISTAN

Hutchison Ports Pakistan is deeply committed to environmental preservation through its "Go Green" initiative. In collaboration with WWF-Pakistan, the program focuses on planting mangrove saplings annually to ensure sustainable environmental protection. With a significant donation, the initiative aims to plant 100,000 saplings each year for five consecutive years. This effort underscores our dedication to mitigating climate change, preserving biodiversity, and

safeguarding coastal ecosystems.

Link to Sustainable Development Goals (SDGs)

Climate Action (SDG 13), Life Below Water (SDG 14), and Life on Land (SDG 15). By actively participating in such initiatives, we align ourselves with several United Nations Sustainable Development Goals (SDGs) contributing to a more sustainable and resilient future for generations to come.

MONDELÉZ PAKISTAN BEACON OF COMMUNITY EMPOWERMENT AND SUSTAINABLE PRACTICES

Committed to fostering positive change, in 2023, our philanthropic endeavors extended to aiding flood victims, contributing over USD 100,000 in Phase I and continuing support in Phase II. Independence Day celebrations brought joy to underprivileged communities, with our colleagues sharing snacks and smiles at a nonprofit hospital.

Prioritizing employee well-being, workshops on breast cancer awareness, stress management, yoga, and nutrition were conducted, complemented by a pink-shirt cycling marathon promoting cancer prevention. In

collaboration with various organizations, our community services touched lives across cancer care, girls' sports encouragement, and health and environmental awareness.

Our "Clean and Green Initiative" showcases significant sustainability achievements, including a 23% reduction in carbon emissions, a 64% drop in food waste, and 7% less water usage. The Cadbury Mini-Forest project and innovative upcycling projects underscore our commitment to a greener future. Mondelēz Pakistan's CSR is a purposeful journey toward a healthier, happier, and

sustainable world.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Quality Education (SDG 4), Gender Equality (SDG 5), Clean Water and Sanitation (SDG 6), Affordable and Clean Energy (SDG 7), Decent Work and Economic Growth (SDG 8), Responsible Consumption and Production (SDG 12), Climate Action (SDG 13), and Life on Land (SDG 15). Mondelēz Pakistan's initiatives align with these SDGs, contributing to a holistic and positive impact on society and the environment.

SGS PAKISTAN (PRIVATE) LIMITED

Sustainability is embedded in our culture and the way we do business, and we are an internationally recognized leader in the field.

To ensure that we add long-term value to society, SGS has embraced sustainability as one of its business principles. SGS Business Principles are the cornerstone on which all our activity rests. They are fundamental.

Our Sustainability Ambitions 2030 (SA2030) are the realization of our corporate

sustainability strategy. This new strategy is framed by our brand purpose of enabling a better, safer, and more interconnected world.

The strategy is based on an analysis of a series of global drivers:

- External megatrends that are influencing our business: climate change, rapid urbanization, population, and social trends, economic growth, and technological disruption

The Sustainable Development

Goals (SDGs):

To achieve our Ambitions, we have set long-term targets for 2030 and short-term targets for 2023 in three different areas, our pillars:

- Better governance
- Better society
- Better planet

The activities are link with several SDGs including SDG 1 (no poverty), SDG 2 (zero hunger and SDG 10 (reduce inequities).

TELENOR MICROFINANCE BANK EMPOWERING THROUGH FINANCIAL LITERACY

The National Financial Literacy Program, dedicated to enhancing money management skills and financial understanding, has found a committed partner in Telenor Microfinance Bank (TMB) since 2017. TMB actively contributes to spreading essential financial literacy, with a particular focus on unbanked communities, especially women, across various regions, including Korangi in Karachi, Shikarpur, Sialkot, and Muzaffarabad.

TMB's impactful contributions include 18 sessions, reaching

2,250 beneficiaries, training 461 individuals, and opening 182 accounts in 2023. Looking ahead to 2023-2024, TMB aims to extend its reach to over 3,375 beneficiaries through 100+ sessions, emphasizing women's financial literacy.

In alignment with Sustainable Development Goals (SDGs), particularly Goal 1 (No Poverty) and Goal 5 (Gender Equality), TMB envisions a financially inclusive Pakistan. The institution plans to sustain its active participation in the National

Financial Literacy Program, leveraging digital outreach to amplify financial messaging in target areas like Karachi, Sukkur, and Toba Tek Singh.

Link to Sustainable Development Goals (SDGs)

No Poverty (SDG 1), Gender Equality (SDG 5) - Telenor Microfinance Bank's commitment to the National Financial Literacy Program aligns with SDGs, contributing to poverty alleviation and gender equality.

K-ELECTRIC EMPOWERING LIVES AND ENSURING SAFETY

K-Electric's commitment to empowerment extends beyond electricity provision. This year, social development investment targeted education and healthcare initiatives.

The third **Roshni Baji program** cohort saw safety ambassadors reaching **200,000 households**, emphasizing electrical safety. KE's School Safety campaign **educated 57,000 students**, addressing children's vulnerability to electrical hazards. Monsoon and heatwave safety messages reached **40,000 individuals** through religious

institutions. Partnering with Akhuwat Foundation, KE empowered 66 beneficiaries through their solar microfinance fund.

In healthcare, **16** health camps facilitated **over 5,000 patients**. For flood-affected areas, KE raised **PKR 5.7 million**, donated medical supplies worth **PKR 3.9 million**, and established a Tele-Health clinic with Educast. Medical assistance reached **36,000** flood-affected individuals through tele-consultation call centers.

Link to Sustainable Development Goals (SDGs)

K-Electric's initiatives align with various SDGs, contributing to health, education, clean energy and infrastructure development for a more sustainable and equitable future. Some of these are **Good Health and Well-being (SDG 3), Quality Education (SDG 4), Clean Water and Sanitation (SDG 6), Affordable and Clean Energy (SDG 7), Industry, Innovation and Infrastructure (SDG 9), Partnership for the Goals (SDG 17).**

DUPONT PAKISTAN ENHANCING HEALTHCARE ACCESS AND CLEAN WATER

Jinnah Hospital, a pivotal tertiary care facility in Karachi, annually serves over a million patients, providing free services such as surgeries, deliveries, and Accident and Emergency care. Affiliated with the National Institute of Child Health and National Institute of Cardiovascular Diseases, JPMC plays a crucial role in healthcare.

DuPont Pakistan, recognizing the vital role of JPMC, supported the hospital by installing a state-of-the-art Ultrafiltration plant for drinkable water. This initiative not only addresses a fundamental need but also aligns with Sustainable Development Goals (SDGs).

Link to Sustainable Development Goals (SDGs)

Clean Water and Sanitation (SDG 6), Good Health and Well-being (SDG 3) - DuPont Pakistan's support to Jinnah Hospital contributes to SDG 6 by providing clean water and SDG 3 by enhancing healthcare access, reflecting a commitment to sustainable and impactful initiatives.

BANKISLAMI EMPOWERING LIVES AND BUILDING A RESILIENT FUTURE

At BankIslami, corporate social responsibility is woven into our ethos, embodying our commitment to fostering financial inclusion, community well-being, and liberating humanity from Riba. Through responsible business practices, we aspire to empower lives, instigate positive change, and construct a resilient future for all.

BankIslami catalyzes transformative change through

a multi-faceted CSR approach. Our contributions to healthcare, assistance to flood victims through home construction, and support for education and technical skill-based training scholarships align with our dedication to creating meaningful impact.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being

(SDG 3), Quality Education (SDG 4), Decent Work and Economic Growth (SDG 8), Industry, Innovation, and Infrastructure (SDG 9), Reduced Inequality (SDG 10), No Poverty (SDG 1) - BankIslami's CSR initiatives contribute to various SDGs, addressing health, education, economic growth, innovation, and reducing inequality, fostering a brighter and more equitable future.

MAPAK EDIBLE OILS FOSTERING COMMUNITY WELL-BEING THROUGH CSR EFFORTS

The Company places significant emphasis on corporate social responsibility (CSR) as fundamental to enhancing community welfare. Our dedication to sustainability encompasses initiatives aimed at conserving energy and bolstering healthcare. In our pursuit to safeguard the environment, the Company actively promotes sustainability through energy-conservation programs and by fostering environmental consciousness among employees.

Kharadar General Hospital - Blood Bank

The inauguration of a blood bank at Kharadar General Hospital represents a critical step in

ensuring a secure and reliable blood supply for emergency coverage and patient care.

MAPAK Community Clinic Situated in Port Qasim, the clinic offers essential medical services free of charge, including first aid, sugar testing, and access to ambulance facilities.

Jan Mohammed Dawood Trust Our trust is committed to supporting scholarships, healthcare, and disaster relief efforts, all of which significantly contribute to societal well-being.

Show You Care (SYC)

SYC advocates for increased accessibility and employment opportunities for individuals with

physical disabilities, fostering inclusivity and empowerment. Comprehensive Cardiology and Nephrology Camp: Our recent camp provided over 400 free consultations, conducted more than 250 RBS tests and sponsored essential medicines, addressing critical health needs within the community.

Link to Sustainable Development Goals (SDGs)

These initiatives are aligned with various Sustainable Development Goals (SDGs), notably Good Health and Well-being (SDG 3), Affordable and Clean Energy (SDG 7), and Partnerships for the Goals (SDG 17).

KAIZEN PAINT NURTURING COMMUNITIES THROUGH EDUCATION, ARTS, AND SPORTS

At Kaizen Paint, Corporate Social Responsibility (CSR) is not a mere duty; it's a core value and a testament to our unwavering commitment to giving back to the community. In the current year, our CSR initiatives have a concentrated focus on education, grassroots sports, and fostering creativity and arts.

We take pride in sponsoring the Indus Valley School of Arts & Architecture's Degree Show and Alumni Greet, highlighting our dedication to education. Excitedly

supporting young artists, we sponsor the Roshan Rahien 6th Children Festival, providing canvases and paint to inspire creativity. In the realm of sports, Kaizen partnered with NAM to sponsor Chitral Football, aiming to nurture aspiring footballers for national teams. Additionally, collaborating with Lahore Regional Cricket Academy, we finance the training of 15 promising cricketers aged 16-25, aiming to shape them into successful athletes of tomorrow.

Link to Sustainable Development Goals (SDGs)

Quality Education (SDG 4), Decent Work and Economic Growth (SDG 8), Industry, Innovation, and Infrastructure (SDG 9), Reduced Inequalities (SDG 10), and Partnerships for the Goals (SDG 17). Kaizen's CSR initiatives align with key SDGs, contributing to industry, innovation, reduced inequalities, and fostering partnerships for sustainable community development.

TPL NURTURING SUSTAINABILITY

TPL recognizes the vital role it plays in fostering ethical environmental practices, ensuring transparency in governance, and actively supporting the communities it operates in. In a world where environmental consciousness is paramount, TPL is committed to positive participation, taking concrete steps to reduce its carbon footprint, conserve natural resources, and build communities for a sustainable future.

TPL prioritizes ethical environmental practices, transparency, and community support. We actively reduce our carbon footprint, conserve natural resources, and contribute to community well-being.

Our commitment extends to heritage conservation through TPL Properties, restoring the façade of Homie Kartak Chambers as part of the One-Hoshang initiative. The project combines preservation techniques with modern spaces, highlighting the building's historical significance.

Engaging in CSR, we support healthcare, education, and gender inclusivity, collaborating with institutions and initiating employee-led campaigns like the flood relief effort in 2022. TPL Properties participates in climate action, implementing strategies for coastal resilience. The Mangrove

Biodiversity Park safeguards Karachi's mangroves, providing a haven for diverse marine life. TPL envisions a sustainable world where environmental responsibility and community well-being go hand in hand.

[Link to Sustainable Development Goals \(SDGs\)](#)

Sustainable Cities and Communities (SDG 11), Climate Action (SDG 13), Life below Water (SDG 14), and Life on Land (SDG 15). These initiatives align with SDGs, contributing to a holistic approach to sustainable development and community well-being.

ASA-MFB A COMMITMENT TO SOCIAL IMPACT

At ASA-MFB, our CSR philosophy centers on creating a positive societal impact in the regions we operate.

Environmental stewardship is a priority, evident through completed projects like solar panel installations, reuse/recycle initiatives, and resource efficiency measures.

We prioritize the well-being of our staff, providing comprehensive health insurance coverage, maternity benefits, and collaborating with Sehat Kahani for free virtual OPD services. Breast cancer awareness

seminars further underscore our commitment.

Teaming up with **LRBT**, we **donated PKR 2.1 million for a digital slit lamp**, addressing curable blindness in **Pasrur**. Our **solar initiatives** extend to **schools and water pumps**, fostering education and **providing clean water in District Dadu**.

ASA-MFB extends its CSR initiatives to various organizations, including **SAF, Civil Hospital Karachi, Edhi Foundation**, and more. We've implemented **solar panel water filtration plants and water hand**

pumps, aligning with our commitment to sustainable development.

[Link to Sustainable Development Goal \(SDG\)](#)

Good Health and Well-being (SDG 3), Clean Water and Sanitation (SDG 6), Affordable and Clean Energy (SDG 7), Quality Education (SDG 4) - ASA-MFB's multifaceted CSR initiatives contribute to various SDGs, addressing health, education, and environmental sustainability.

MIDAS SAFETY FOSTERING SUSTAINABLE CHANGE

Midas Safety actively contributes to and supports communities, aiming for positive, self-sufficient, and sustainable impact. Our CSR focuses on Education and Healthcare, with additional emphasis on microfinance, disaster relief, and vocational training.

Key partnerships highlight our commitment: collaboration with the Citizen Foundation supported 2,096 students, while the Indus Resource

Center educated 1,999 children and sustained salaries for 50 teachers. Collaboration with the Friends Educational & Medical Trust in Gilgit-Baltistan aided 4,120 students. Employee-driven philanthropy during monsoon flooding resulted in a US\$ 19,072 donation to the Akhuwat Foundation. Additionally, collaboration with the SINA Health, Education, & Welfare Trust provided healthcare for 10,000 patients in 2022.

[Link to Sustainable Development Goals \(SDGs\)](#)

Quality Education (SDG 4), Good Health and Well-being (SDG 3), No Poverty (SDG 1), Decent Work and Economic Growth (SDG 8), Partnerships for the Goals (SDG 17) - Midas Safety's initiatives align with various SDGs, contributing to education, healthcare, poverty alleviation, economic growth, and sustainable development.

ICBC KARACHI BRANCH NURTURING SUSTAINABILITY, EMBRACING DIVERSITY, AND FOSTERING SOCIAL RESPONSIBILITY

ICBC Karachi Branch, an integral part of the world's largest commercial bank, actively contributes to multilateral financial and trade initiatives in Pakistan and China. Committed to environmental protection, the branch supports green, low-carbon development, notably through the Dawo Wind Power Project.

In health and well-being efforts, the branch ensures an equal employment environment with 21% female representation, surpassing local industry standards. The inclusive corporate culture provides

prayer rooms and flexible working hours, aligning with local norms. Prioritizing local talent, the branch organizes training programs and fosters cultural exchanges between China and Pakistan.

A notable CSR initiative featured a 600,000 rupee donation to the "2023 Heart of Love Public Welfare Activity," emphasizing "No One Sleeps Hungry." This showcases the branch's commitment to addressing community food insecurity. ICBC Karachi Branch continues to champion economic development, environmental

sustainability, and social responsibility.

[Link to Sustainable Development Goals \(SDGs\)](#)

Affordable and Clean Energy (SDG 7), Gender Equality (SDG 5), Good Health and Well-being (SDG 3), Climate Action (SDG 13), Quality Education (SDG 4), Decent Work and Economic Growth (SDG 8), Reduced Inequalities (SDG 10), and Partnerships for the Goals (SDG 17). These actions collectively contribute to a holistic approach to sustainable development and social responsibility.

SIEMENS PROMOTING GENDER EQUALITY AND QUALITY EDUCATION

SIEMENS

With a legacy dating back to 1847, upholds the principles of good corporate citizenship. Guided by a philosophy focused on Access to Technology, Access to Education, and Sustaining Communities, Siemens remains committed to social responsibility. In FY 23, Siemens embarked on the "Shana Bashana" initiative in collaboration with the German Agency for International Cooperation (GIZ). This program addresses gender biases in vocational training in Pakistan, specifically targeting the

integration of women into the infrastructure sector through Technical and Vocational Education and Training (TVET) and Work-Based Training (WBT). Siemens, in partnership with GIZ, provided workplace exposure to 57 women from TVET sectors, acknowledging their contributions through certificate distribution ceremonies. The ongoing collaboration seeks to expand, inviting industry partners to contribute to long-term sustainability. Siemens aspires to further this partnership, encouraging

industry collaboration to create a more gender-neutral industry through gender-sensitive teaching and learning materials (TLM) delivered via WBT.

Link to Sustainable Development Goals (SDGs)

Gender Equality (SDG 5) and Quality Education (SDG 4). Siemens' "Shana Bashana" initiative aligns with these SDGs, contributing to gender inclusion in vocational training and promoting quality education for sustainable development.

PAKISTAN CABLES LTD EMPOWERING COMMUNITIES THROUGH SUSTAINABLE CSR INITIATIVES

TRUSTED NOT TO COMPROMISE

Pakistan Cables Ltd. remains steadfast in its commitment to uplift communities, aligning CSR efforts with the UN Sustainable Development Goals (SDGs), focusing on Gender Diversity, Climate Action, and Quality Education.

In the fiscal year 2022-23, CSR activities aimed at enhancing social impact quality, with a specific commitment to promoting **STEM-based education**. ASCEND, the company's flagship platform, completed its second year,

serving as a cooperative education program for female students from NED University, Karachi. This initiative aligns with SDGs, particularly **Gender Equality and Quality Education**.

Pakistan Cables partnered for STEAM Safer sessions through its employee volunteer program, engaging 300 students from government schools in three cities. These sessions focused on STEM-related activities, contributing to Quality Education and Partnerships for the Goals.

Pakistan Cables Ltd. continues to set an inspiring example in the industry, receiving acclaim for impactful CSR initiatives.

Link to Sustainable Development Goals (SDGs)

Gender Equality (SDG 5), Quality Education (SDG 4), Partnerships for the Goals (SDG 17) - Pakistan Cables Ltd.'s CSR initiatives align with these SDGs, contributing to gender equality, quality education, and fostering partnerships for sustainable development.

PAKISTAN REFINERY LIMITED (PRL) NURTURING SUSTAINABLE FUTURES WITH CSR COMMITMENT

PRL stands unwavering in its dedication to Corporate Social Responsibility (CSR) and sustainability. Going beyond mere philanthropy, CSR is intrinsic to PRL's identity, guided by Environmental, Social, and Governance (ESG) principles. Integration of sustainable practices into operations is not just a commitment to CSR but a strategy for shared value and responsible governance. These practices not only align with CSR goals but also contribute significantly to financial performance by reducing costs and optimizing resources.

PRL actively engages in diverse initiatives, ranging from aiding flood-hit regions to environmental conservation and supporting education. The company's commitment to environmental stewardship is evident through detailed impact assessments, regular monitoring, and adherence to regulatory standards. Wins at the Pakistan Flower Show for seven consecutive years and the Urban Forest Initiative, aiming to plant 150,000 trees, exemplify PRL's dedication to beautification and combating deforestation. Furthermore, PRL's decade-long support for a TCF school

showcases its commitment to promoting quality education and social welfare in Pakistan.

Link to Sustainable Development Goals (SDGs)

Quality Education (SDG 4), Life on Land (SDG 15), Clean Water and Sanitation (SDG 6), Climate Action (SDG 13), Responsible Consumption and Production (SDG 12) - PRL's CSR initiatives align with various SDGs, contributing to education, environmental conservation, and sustainable practices for a positive and holistic impact.

SICPA PAKISTAN PIONEERING CORPORATE SOCIAL RESPONSIBILITY FOR A SUSTAINABLE AND INCLUSIVE FUTURE

SICPA Pakistan is at the forefront of community betterment, aligning its business operations with the UN SDGs in 2021. The company actively engages in initiatives promoting education, healthcare, environmental sustainability, and community development. SICPA's 'Education Assistance Program' supports employees' children, particularly encouraging female students in higher education. Collaborating with Special Olympics, the sponsorship of Sadia Junaid, a special needs'

athlete, showcased the company's commitment to supporting diverse abilities. Her outstanding performance earned a silver medal, highlighting SICPA Pakistan's dedication to inclusive initiatives. In summary, the company's unwavering commitment to corporate social responsibility positions it as a trailblazer in responsible business practices, shaping a sustainable and inclusive future for society and the nation.

Link to Sustainable Development Goals (SDGs)

Quality Education (SDG 4), Good Health and Well-being (SDG 3), Gender Equality (SDG 5), Reduced Inequalities (SDG 10), and Partnerships for the Goals (SDG 17). SICPA's initiatives contribute to gender equality, good health & well-being and reduced inequalities aligning with various SDGs for a holistic impact.

HOECHST PAKISTAN LIMITED - EMPOWERING HEALTH INITIATIVES FOR A BRIGHTER FUTURE

In a commitment to diabetes awareness, Hoechst Pakistan Limited spearheaded advocacy and educational events across Pakistan, engaging over 3,500 individuals. These sessions focused on lifestyle changes for effective diabetes management, contributing to enhanced public understanding.

Teaming up with **Marie Stopes Society (MSS)**, we educated **150,000 women in rural areas on menstrual health and**

hygiene. This initiative involved comprehensive training for the MSS team, ensuring sustainable knowledge transfer in menstrual health and hygiene management.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Gender Equality (SDG 5) - Hoechst initiatives align with SDG 3 by promoting health awareness and SDG 5 by

addressing gender-specific health needs, contributing to a healthier and more equitable future.

ibex INSPIRING CHANGE, EMPOWERING FUTURES, AND STRIVING FOR A SUSTAINABLE PAKISTAN

ibex goes beyond conventional corporate social responsibility (CSR). It's a commitment to the youth, fostering empowerment and envisioning a futuristic Pakistan. The initiative transcends tech boundaries, aiming to break the cycle of poverty and raise awareness of sustainable development goals. Crafted with a vision of inclusivity and sustainability, ibex. Cares aspires to create a better and equal future for all.

Aligned with CSR goals, ibex collaborates with organizations making a difference in remote areas, emphasizing inclusivity and prioritizing education and upskilling. The centripetal force of these initiatives is to flatten the curve of poverty. Together, let's strive for environmental friendly growth and development, contributing to a brighter tomorrow and an improved Pakistan.

Link to Sustainable

Development Goals (SDGs)

No Poverty (SDG 1), Quality Education (SDG 4), Decent Work and Economic Growth (SDG 8), Reduced Inequalities (SDG 10), and Partnerships for the Goals (SDG 17). Ibox Cares initiatives align with key SDGs, contributing to poverty alleviation, economic growth, reduced inequalities and fostering partnerships for sustainable community development.

AKZONOBEL'S COMMITMENT TO SUSTAINABLE BUSINESS

AkzoNobel

At AkzoNobel, sustainability is at the core of our business ethos, woven into every aspect of our operations. Our commitment revolves around empowering people, minimizing our environmental footprint, and continually innovating to offer the most sustainable paint and coatings solutions. This approach, encapsulated as "People. Planet. Paint.," drives our endeavors toward a more sustainable future.

Our sustainability goals align with the Paris Agreement, emphasizing our dedication to

combat global warming. In collaboration with SOS Children's Villages Pakistan, our Let's Colour initiative seamlessly blends education with a focus on enhancing youth employability, all powered by the transformative impact of paint.

As a part of this program, AkzoNobel Pakistan contributed **4.5 Million Rupees** and **1,122 liters of Dulux paint** for the renovation of **SOS Children's Villages.** Furthermore, our commitment extended to **AI-Biruni Education System,** where we

donated 2,361 liters of paint. This initiative aims to rejuvenate the learning environment in a school located in the rural area of Abbottabad district, providing free education to the underprivileged community.

Link to Sustainable Development Goal (SDG)

Quality Education (SDG 4) - AkzoNobel's Let's Colour initiative directly contributes to improving educational facilities and fostering learning environments for underprivileged communities.

ABBOTT PAKISTAN PIONEERING HEALTH FOR SUSTAINABLE COMMUNITIES

Pioneering Health for Sustainable Communities

At Abbott, we believe a sustainable future starts with health. Our 2030 Sustainability Plan prioritizes reaching more people, ensuring access and affordability for life-changing technologies. Our philanthropic efforts impact various organizations like Patients' Behbud Society,

Muhammadi Blood Bank, and The Liver Foundation. Abbott's contributions extend to healthcare, education, and societal development. **Linked to Sustainable Development Goals (SDGs), emphasizing Good Health and Well-being (SDG 3), Quality Education (SDG 4), and Industry, Innovation, and Infrastructure (SDG 9).** Abbott's commitment to health, education, and community

development demonstrates a holistic impact on society, contributing to a sustainable and healthier Pakistan.

OUP PAKISTAN
NURTURING MINDS,
FOSTERING WELL-BEING,
AND ADVANCING EDUCATION

Oxford University Press (OUP) Pakistan is committed to societal betterment through knowledge dissemination and learning. Prioritizing employee well-being, the company established communal spaces and introduced digital clinics for health assessments and daily yoga sessions. As advocates for education, organizes literature festivals nationwide and collaborates with NGOs for teacher training and learning festivals, contributing, regular

donation drives support, creating effective learning environments.

Link to Sustainable Development Goals (SDGs)

Quality Education (SDG 4), and Good Health & Well-being (SDG 3). OUP's initiatives align with Sustainable Development Goals, fostering awareness and enhancing educational indicators for a sustainable future.

PTCL GROUP PROMOTING
ENVIRONMENTAL RESILIENCE
AND SOCIETAL WELL-BEING

PTCL Group, committed to societal and environmental well-being, partnered with Parks & Horticulture Authority (PHA), Rawalpindi, for a tree plantation campaign at Khajut on Murree Expressway. Focused on indigenous plants, the initiative bolsters environmental resilience. Additionally, PTCL Group conducted a robust blood donation campaign at its headquarters on 'World Blood Donor Day,' showcasing its commitment to societal welfare. Top management and employees

enthusiastically participated. Moreover, PTCL & Ufone 4G collaborated with the Government of Pakistan to support polio eradication, utilizing their extensive network to raise awareness and promote vaccination, safeguarding children from lifelong physical impairments.

Link to Sustainable Development Goals (SDGs)

This initiative aligns with SDG 3 (Good Health and Well-being),

SDG 13 (Climate Action), and SDG 17 (Partnerships for the Goals), contributing to environmental sustainability and societal welfare.

AL BARAKA BANK
(PAKISTAN) LIMITED (ABPL)

Al Baraka Bank (Pakistan) Limited
Glimpse of CSR Activities
During the Year 2023

Al Baraka Bank (Pakistan) Limited (ABPL) aligns its CSR initiatives with UNSDGs, recognizing its broader role beyond financial provision. In 2023, our initiatives spanned diverse regions, from mountainous north to coastal south. We partnered with Indus Hospital for Blood Donation Drives, distributed Eid gifts at Shaukat Khanum Hospital, and renovated parks in Chilas and Diamer. Supporting environmental advocacy, we sponsored 'Pakistan Blooms

2023 Hydrangea & Floral Festival' and hosted a summer camp for IBA CEIF in Karachi.

Committed to social responsibility, ABPL contributed to Ramadan food and ration distribution drives with Alamgir Welfare Trust, organized awareness sessions for Breast Cancer Awareness Day, and initiated "One Tree, Per Staff, Every Year" planting, resulting in 1,000 mangroves planted with WWF. These endeavors strengthen community ties and

showcase support for national upliftment.

Link to Sustainable Development Goals (SDGs)

Good Health and Well-being (SDG 3), Quality Education (SDG 4), Sustainable Cities and Communities (SDG 11), and Climate Action (SDG 13). By aligning with UNSDGs such as ABPL aims to contribute towards a more sustainable and inclusive future.

DEUTSCHE BANK NURTURING
PROSPERITY THROUGH
COMMUNITY EMPOWERMENT

Deutsche Bank, committed to global prosperity, tailors its corporate social responsibility (CSR) strategy to local needs. In collaboration with like-minded partners, we actively engage our people in realizing this vision.

In 2023, Deutsche Bank, through its Middle East Foundation, supported impactful CSR initiatives in Pakistan. **The Citizens Foundation (TCF)** witnessed sponsorship for two projects: Project one empowered 60 women from remote villages through vocational training,

enhancing skills crucial for daily life, while Project two supported an entire classroom of 37 students at TCF School Capt. Karim Campus for the Academic year 2023-2024.

Health and Nutrition Development Society of Pakistan (HANDS): Following Deutsche Bank's donation in 2022 to build 34 housing units (catering more than 250 people) in Baluchistan province (Model village Shehik Khan Katohar), an additional donation was made to install solar panels and repairing the water reservoirs among other

things for the houses in the village.

Link to Sustainable Development Goals (SDGs)

Quality Education (SDG 4), Gender Equality (SDG 5), Affordable and Clean Energy (SDG 7), and Climate Action (SDG 13) - Deutsche Bank's CSR projects align with various SDGs, contributing to education, gender equality, clean energy, and climate action for the betterment of communities.

RAFHAN MAIZE CULTIVATING POSITIVE CHANGE AND SOCIAL RESPONSIBILITY

Rafhan Maize exemplifies a commitment to societal well-being through strategic CSR initiatives and philanthropy. Aligned with UNSDGs, our efforts aim to uplift communities, emphasizing social responsibility and positive contributions to the society. In securing the environment, we focus on reducing our operational impact and promoting biodiversity protection in the agricultural supply chain, working towards

improving the planet's life.

Our CSR activities span health, education, gender equality, environment, and community development. This year, we collaborated with Akhuwat for the rehabilitation of village Dhani Bux, Kotri, rebuilding 37 houses for those displaced by floods. Our initiatives reflect a dedication to positive social change and contribute to a sustainable and thriving society.

Link to Sustainable Development Goals (SDGs)

Good Health & Well-Being (SDG 4), Reduced Inequalities (SDG 10), and Sustainable Cities & Communities (SDG 11). Rafhan Maize's initiatives contribute to health, and community development, aligning with various SDGs for a holistic impact.

AVIENT PAKISTAN (PVT) LIMITED - MAKING LIVES BETTER THROUGH CSR INITIATIVES

Blood Donation Camp:

Thalassemia, a genetic disorder, affects many individuals. Our company organizes voluntary blood donation camps specifically for those affected by this condition. Each donated bottle of blood has the potential to save three lives. Our associates actively participate in this noble initiative.

children who face similar challenges. They spend quality time learning how to interact with and support these individuals. Additionally, they purchase handicrafts made by the children, helping them learn how to hold a pencil and encouraging their colouring activities.

Cleanup Day. Through the "Litterati app," we contribute to beach cleaning efforts, ensuring a cleaner and healthier environment for all.

Link to SDGs

Avient Pakistan (Pvt) Limited's CSR activities are aligned with SDG 3 (Good Health and Well-Being, SDG 13 (Climate Action) and SDG 14 (Life Below Water).

Beach Cleaning:

As part of our commitment to environmental responsibility, we actively participate in World

Financial Donation Camp:

Our associates engage with

SYNGENTA PAKISTAN CULTIVATING SUSTAINABLE FUTURES FOR FARMERS

At Syngenta Pakistan, our vision of "One Team One Dream Farmers' Future" drives our commitment to creating a sustainable impact in the lives of Pakistani farmers and local communities. We prioritize assisting millions of farmers in adapting to climate change and soil degradation, while enhancing their productivity, profitability, and biodiversity.

Annually, we provide training to over 450,000 farmers in Pakistan on the safe and responsible usage of agricultural inputs, ensuring sustainable farming practices. In 2023, our CSR initiatives included

planting over 1500 trees across internal and external sites through our "Plant A Tree" Drive.

Additionally, we supported the rehabilitation of a flood-hit TCF School in Badin, Sindh, and launched a year-long communications campaign to raise awareness about the importance of female farmers. This effort was recognized with the "Rising Women 2023" award presented by the Honorable President of Pakistan.

Through these initiatives, Syngenta Pakistan remains dedicated to fostering

sustainable agriculture and empowering local communities for a brighter future.

Link to Sustainable Development Goals (SDGs)

Syngenta Pakistan's initiatives contribute to SDG 2 (Zero Hunger), SDG 4 (Quality Education), SDG 5 (Gender Equality), and SDG 13 (Climate Action), aligning with goals for sustainable agriculture, education, gender empowerment, and environmental conservation.
